THE STORY... OF THE BEAVERTON FURNITURE..

"ONCE UPON A TIME, I WAS VERY, VERY UNHAPPY—There was practically no really fine furniture in me and my owner just didn't treat me right. Then one day I was purchased by a furniture man with a lot of modern ideas. . . .

"THEN THINGS REALLY BEGAN TO HUM — I was redecorated inside in the latest home colors, they washed and scrubbed me until I shone! And all the old furniture and things went out the door. Gosh! How they worked me over. . . .

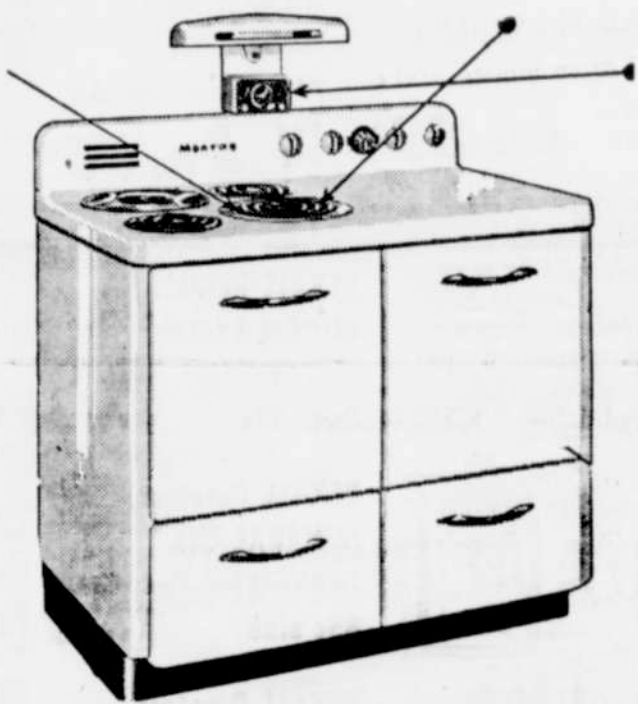

"MY NEW COAT OF PAINT WAS HARDLY DRY before great big vans began to unload truckload after truckload of beautiful NEW home furnishings—furniture so smart and good looking, they made my eyes pop! . . .

"NOW I'M HAPPY! I'm bulging at the seams with quality furniture and appliances that every woman would love to have in her home (and what's more, the prices are pleasingly low) . . . I'm so proud I want to show everybody the wonderful thing that happened to me! So I'm having OPEN HOUSE and YOU'RE invited!
