"COMMUNITY OF OPPORTUNITY" was the winning slogan submitted in a contest sponsored by the newly formed Aloha Chamber of Commerce.

METZGER PTA STAGED its annual carnival on April 16, to raise funds for its treasury.

From where I sit... by Joe Marsh

### "Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattle-men and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get together now and then for a barbecue and a friendly glass of beer."

And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.
