

Parents Would Ban Horror Tales For Radio Programs

(McKAY-WHITFORD) — The McKay P.T.A. held a strictly adult meeting on Friday, January 14th. The film, "Human Growth" was accompanied by a talk on social hygiene, and the means of presentation to the students by Mr. Curtis Avery, representative of the E. C. Brown Trust.

Considerable discussion by the parents followed the showing with the general opinion being in favor of a course on social hygiene in the school.

Mrs. J. S. Felsher has been disposing of articles left over from the bazaar and has taken in \$36 so far. The P.T.A. extends its

thanks to Mrs. Felsher.

Mr. James Farmer read an article on the effect on children of crime and horror programs presented by the radio. It was agreed that these programs are a menace, and products of sponsors using this form of advertising should be boycotted.

A request was made to every parent to write to the radio station and the sponsor of such programs, requesting their removal from the air. Mr. Farmer asks that the names and sponsors of such objectionable programs be given to him and he

will write letters and have them endorsed by the members. There is a national movement under way by the P.T.A. to ban the programs from the air.

A social evening and refreshments followed the business meeting.

The next meeting honoring Founders Day will be held on February 11th.

Mr. and Mrs. H. O. Averitt are in Mannford, Oklahoma, visiting relatives and friends. While there they attended the 50th wedding anniversary of Mrs. Averitt's parents, Mr. and Mrs. M. A. Clegg

of that city. They planned to be away a month.

STATE CONVENTION

The Ladies Auxiliary in Klamath Falls were in charge of the entertainment for the delegates and their wives. A tour through the State Technical School was part of the program and was very interesting, according to Mrs. Pilip.

The school has been in operation for only eighteen months and has students from all parts of the United States.
