From where I sit... by Joe Marsh
Duke Gets His Tractor
Duke Thomas bought a farm with
the money he'd saved in the Ser-
vice, but he couldn't get a tractor.
He needed it badly, but was tenth
on the local dealer's list.
"Tell you what," old man Peters
says. "If those nine fellows ahead
of you agree, you'll get the next
one I get in." "No, thanks," says
Duke, "I'll just take my turn."
But old Peters mails out nine
postcards. And the other day he
tells Duke his tractor will be in
next week. "I simply wrote the
facts to the fellows ahead of you.
They decided it."
