Crowd Attends Beaverton PTA Founders' Day

A very successful P.T.A. meeting was held in the Beaverton Grade School Tuesday evening, February 22.

The meeting was called to order by Mrs. Charles Drew, president. After the reading of the minutes and treasurer's report, several committee chairmen gave reports. Membership chairman, Mrs. W. L. Stratford reported an enrollment of 502, with Mrs. Saunders first grade room having 100% enrollment. In token of this achievement the room was awarded two albums of records by the P.T.A.

A nominating committee was elected to nominate officers for next year. It will be composed of Mrs. Veldon Boge, Mrs. Alice Carlson and Mrs. Cavens.

Several of the students of Maxine Cady Barnes were presented in a short recital and a violin selection was played.

Mrs. Veldon Boge, Founders Day Chairman gave a short history of the founding of the P.T.A. giving its aims and ideals. Past presidents of Beaverton P.T.A. and other communities were introduced. Those from Beaverton were Mrs. Belle Walker, Mrs. John Robinson, Mrs. Norton Pock and Mrs. Veldon Boge. Those from other cities were Mrs. C. Y. Wilson, who was president in Portadale, Idaho and Mrs. Maurice Romig who was president of Hillsboro.

Richard Risley Morgan, associate professor at Lewis and Clark college gave an informative, and entertaining discussion on "Education for Family Living." A short question and answer period

was held after his talk.

A silver tea was held in the cafeteria after the meeting with refreshments in charge of the third grade room mothers.

The next meeting of the P.T.A. will be held March 22 and will be "Dads Night" with Mr. William Smith and Rev. King in charge of the program.

Florida Ships 6-Car
Orange Special to
Safeway Stores!

One of the largest orders for Florida oranges ever consigned to a retail store group was shipped to Safeway Stores in Portland, Oregon. Officials of the Safeway Company there called on Florida growers as soon as it became apparent that freezing weather conditions in other growing areas would reduce the usual source of supply. Six carloads of Florida's sweetest, juiciest and largest oranges were immediately dispatched to the store group in response to the call and Pacific Northwest customers of the firm are now enjoying this unusual treat.
