Divot Diggers Of High School Get Pro Instruction

Beaverton high school golfers will have the opportunity this spring to learn finer points of the game under direction of Larry Lamberger, well-known Portland professional, who will give free golf instruction once a week.

This announcement was made this week by Eugene Dunham, member of the Beaverton high school faculty, and golf instructor.

Mr. Lamberger is donating his services in accordance with the program sponsored by the Portland Golfing Association, which provides professional golf instruction for high schools in the Portland vicinity during the spring.

Detailed information will be given later.

Mr. Dunham announced the tournament long delayed by bad weather will be concluded in the near future with Roger Murth, sophomore, and Jack Wright, senior, as finalists.

Next meeting will be at the home of Dorothy Bechen near West Union on April 18th. This will be an evening meeting and laundry bags will be judged at that time.

During 4-H Achievement Week the Busy Bees Club had a window display at Florence's Beauty Shop and Higbie's 5-10.

The hostess and Barbara Bechman, co-hostess, served refreshments.

GUESTS FROM TEXAS
Mr. and Mrs. Garland Perry and Garland, Jr. from Texas are visiting at the Harry Depp home. Mrs. Perry worked with Mr. Depp in the watch repair dept. at Westfield and Goldberg in Portland before her marriage.
