

## VALLEY COMMUNITY CHURCH OFFERS COLOR-SOUND MOVIE

WEST SLOPE:—Palm Sunday evening at 7:45 the full color sound film, "God of Creation" will be shown at the Valley Community United Presbyterian church, SW Club Rd. and Brentwood Ave., West Slope. No admission. This picture runs forty five minutes and shows the heavenly bodies, the wonders of the stars and planets.

You will see the miraculous

metamorphosis of a caterpillar, and buds becoming full-blown blossoms in the space of a few seconds by means of lapse-time photography, where months are squeezed into minutes. In the world known only to the microscope you will see the living organisms that inhabit that world enlarged millions of times.

And it preaches the gospel by showing the handwork of God in all.

## TRADE LANES

It takes more than an appendectomy to slow up Jack Kelly when he gets his mind set on a project. This Saturday will see the grand opening in Beaverton of the new home of Kelly Motor Co., and featured in the festivities will be the showing of the new "Traveler" which has received such nationwide publicity since its announcement a few weeks ago. All are invited to come in and inspect the new quarters across from Haskell Shopping Center and "meet the gang" who will be doing business at the "new stand".

Matching pictures ceases to be a kids game starting this week in the Beaverton area. If the little figure in your paper matches the one in the ad at Teresi's you will be the possessor of a fine assortment of FREE GROCERIES. You've all heard those quiz programs on the air... now you can play the game right here in town. And... if there is no winner this week the ladder will be increased and next week the prize will be a more valuable one.

Johnny Graf made the distance from Tillman's to his home on First St. in about a leap and a half Friday after being declared the winner of the portable radio which was given away to the holder of the lucky number. Just couldn't wait to break the good news to Mom and Pop and brother Jimmy.

Business people came in for their share of praise this week for their wholehearted support in helping to secure pledges of blood donors for the area for Friday, April 29. Among the many hard workers in the campaign is Florence Miller who has devoted a lot of time and effort in the campaign.

Beaverton Pharmacy is now selling bus tickets preparatory to moving into their new quarters the week of April 11, after which that will be the travel headquarters for Beaverton.

## Teen-agers May Square Dance In Session of Own

Because teen-agers have attended adult old-time dance instruction sessions at the Beaverton grade school gym, the Mothers' club announces an evening all of their own will be sponsored on Thursday of each week.

The adult occasions will continue on April 8, with instructions in some waltz variations, the waltz turn, a new square dance, the ever-popular heel-and-toe mixer and the three step.

At the last dance, Friday, April 1, Mrs. Mildred Miller helped smooth out the basic waltz step with particular attention given to graceful position. The weekly square dance was executed and the dancers were introduced to a new delight, the California Schottische.

Because it has been necessary to alternate dancing dates from Wednesday to Friday nights, due to previous commitments on the gymnasium many folks show up who were not present the previous week causing instructors to review more than advanced dancers appreciate.

It is hoped, says Lillian Carter, director of the group, that the Friday night schedule might be maintained from now on. Interested people of the community are urged to come regularly so as to not hold up those who have been taking regular instruction.
