Thimble Bug's Pageant

BY SPECIAL REQUEST, the above shown members of the McKay 4-H "Thimble Bugs" presented their pageant at the Homemakers' Extension festival in Hillsboro, April 22. Left to right are: Careasa Prouty (in pin cushion), Darlene Wright, Patricia Miles, Sharon Tippery, Mickey Kuhn and Patricia Schlaht (in spool). The extension festival was an all-day session of the Home Economics clubs of the county. Work entered by 4-H groups at the fair, last fall, plus a model 4-H club exhibit, were on display.

PROGRAM COMMITTEE EXPECTS TO SPRING SURPRISE AT PTA

McKay PTA will hold its regular May meeting Friday evening, May 13 at 8 p. m. in the school house. After the business meeting the new officers will be installed. Mrs. Owens of Owens Picture Rental Service, will show a picture short to demonstrate a new picture projector so that the parents as well as the school board may see the type of audio-visual equipment they have for sale. The program committee hopes to be able to round out the year with a surprise entertainment for the evening. The entire community is invited and especially parents of children who will be attending school for the first time next year. Refreshments will be served at the close of the meeting. CO. COUNCIL FIRE Tan-Suta-Ciya Camp Fire Girls of McKay school attended the County Council Fire at Barnes school in Hillsboro on April 30. All nine girls received their Trail Seeker certificates and birthday honor awards. The girls found much inspiration through this meeting and expressed a desire to continue Camp Fire work right through the Torch Bearer rank which entails a great deal of diligent work. In the two groups of McKay school under leadership of Mrs. Scott Horney and Mrs. John Altenhofen, 14 received Trail Seeker certificates and five Wood Gatherers certificates and one a Fire Maker certificate. Many of the parents attended with their daughters. 4H "GROUND BUSTERS" The 4H "Ground Busters" garden club met at the Hansen home in April with Louis Bacon and Dennis Keffer as hosts. A new member, Dennis Cain, was welcomed to the group. The business of the evening was a discussion of wheat and weeds.

McKay 4H Dairy club adopted the name of "Full Pail" for their club at a meeting held on April 24, at the home of Leslie Donaldson. The group plans a trip to the Alpenrose Dairy on May 14 at 1 o'clock. The new home being erected on Sorrento Road for Mr. and Mrs. John Harms of Portland is expected to be completed about June first. The Harms have a daughter Kay and son John. Mr. Harms is connected with the trucking business. OVER WEEK END R. C. Payne of Seattle was a week end guest at the homes of his brothers Walter and Ronald Payne of Denny Road. Mr. and Mrs. Vernon Farrell and children are leaving soon for Fresno, Calif., to make their home. Mr. Farrell will engage in the grocery business. Their home on Denny Road has been purchased by Mr. and Mrs. Amos Sprengle. BIRTHDAY SURPRISE The 4H sewing I-A and I-B girls of Mrs. Blethens group attended a surprise birthday party in honor of Sally Coulter at her home on Newton place, on Tuesday, Apr. 26. They had a grand time playing games after which refreshments were served. A special birthday cake with the 4H emblem of a green clover on white frosting was served with jello and whipped cream and coca cola. 4H SCISSORSTES Meeting at the home of their leader Miss Elaine Hansen, on Wednesday, April 27, were the 4H Scissorstes sewing club members. The girls reviewed the work on their luncheon cloths and received further instruction. A business meeting followed. Refreshment hostess was Carole Wittenberg. TASK FORCE MOVE On a recent visit to Bonneville dam the B. F. Blethens had the pleasure of watching a task force go thru the locks headed for army maneuvers at Pasco. The force consisted of 1 landing craft, a coast guard boat and an oiler.

of Lombard Street intersects with the said center line; thence westerly along the center line of said S. E. Twelfth Street to a point on the center line of Watson Street where the same intersects with the center line of S. E. Twelfth Street, by regrading and applying leveling courses of rock and paving with oiled wearing surface to a width of 22 feet, being 11 feet on each side of said center line, said work to be performed by the city street department; and by installing storm sewer and drainage for said street.

BE IT FURTHER RESOLVED That the cost of said improvements be assessed against the abutting property as provided by the ordinances and charter of the City of Beaverton.

BE IT FURTHER RESOLVED That a written objection or remonstrance to said street improvement, if any be made, be filed at any time on or before 8:00 p.m. on May 23, 1949 at the City Hall in Beaverton, Oregon.

BE IT FURTHER RESOLVED That the recorder is authorized to give notice of this resolution in the time and manner provided by the charter and ordinances of the City of Beaverton, that the City Recorder shall serve notice of such improvements as required by the ordinances and in the manner therein set forth. Introduced and passed this 2nd day of May, 1949.

H. H. JEFFRIES, Mayor
 ATTEST: L. J. FUSSE, Recorder
 Date of first publication May 6, 1949.
 Date of last publication May 13, 1949.

WHEREAS, 75% of the property owners abutting on S. E. Twelfth Street have petitioned the City Council to initiate and institute the necessary proceedings for the improvement thereof from Lombard Street to Watson Street, and

WHEREAS, the City Council desires to institute the necessary proceedings to have the said improvement performed,

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF BEAVERTON That the City of Beaverton, Washington County, Oregon, proceed to improve S. E. Twelfth Street within the City on the following portion thereof:

Beginning at a point on the center line of S. E. Twelfth Street where the center line

Grass-Alfalfa
 Roots Per Acre
 Total 5,000 Lbs.

The importance of the roots of grass crops in conservation often is not appreciated, in the opinion of E. Harvey Miller, chairman of the Oregon State PMA committee. Since roots are below ground it is not apparent how completely they occupy the soil. To check up on this, scientists of the U. S. Department of Agriculture have washed out the roots of a number of mixed crops. When sweet clover was grown alone it produced 1900 pounds of roots to the acre. When grass was grown with the sweet clover, 3000 pounds of roots were produced to the acre. Alfalfa alone produced 2300 pounds of roots to the acre. When grass was sown with the alfalfa, the roots amounted to 5000 pounds to the acre and in some cases up to 9000 pounds. It is these unseen characteristics of grass which make it such a valuable conservation crop, the chairman points out. The roots fill the soil and hold the particles together. When the grass is turned under, it is these roots which make the soil work easier. As the roots decay they make the native fertility of the soil available and add to the sponge-like ability of the soil to absorb water. It is for this reason, the chairman explains, that grass is such an important conservation crop.

WHEREAS, the City Council desires to institute the necessary proceedings to have the said improvement performed,

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF BEAVERTON That the City of Beaverton, Washington County, Oregon, proceed to improve S. E. Twelfth Street within the City on the following portion thereof:

LEGAL NOTICE

NOTICE OF BOND SALE

NOTICE IS HEREBY GIVEN that sealed bids will be received by the undersigned until the hour of 8 o'clock p.m., the 16th day of May, 1949, and immediately thereafter publicly opened by the District School Board of Union High School District No. 10 Jt., Washington and Multnomah Counties, at Beaverton Union High School building, in the City of Beaverton, Oregon, for an issue of bonds of said District in the sum of three hundred thousand dollars (\$300,000.00), said bonds to be in denominations of one thousand dollars (\$1,000.00) each, dated July 1, 1949, and maturing serially in numerical order at the rate of thirty thousand dollars (\$30,000.00) on the 1st day of July in each of the years 1952-1961 inclusive; provided, however, that all bonds which mature after July 1, 1957 shall be subject to call and redemption on any interest paying date after July 1, 1957, said bonds to bear interest at the rate of not to exceed three per cent (3%) per annum, payable semiannually, principal and interest payable at the fiscal agency of the State of Oregon in New York City, or at the office of the County Treasurer of Washington County, Oregon, at the option of the successful bidder. All bids must be accompanied by a certified check for five thousand dollars (\$5,000.00) and must be unconditional. Bonds will not be sold for less than par value and accrued interest. The approving legal opinion of Messrs. Winfree, McCulloch, Shuler and Sayre will be furnished the successful bidder. The Board reserves the right to reject any and all bids.
