Let's have a PICNIC!

THIS WEEK AT **SAFeway** Only **37c** A POUND

Famous brands you know are good! Sweet, mild cure. Guaranteed tender. Average weights 6 to 8 lbs.

10 CARLOADS OF PICNIC HAMS to CUT LIVING COST

Swift's Circle S, Rath's, Morrell's, Cudahy's and other famous brands are included

One of the largest shipments of Picnic Hams consigned to one firm arrived last week in Portland for distribution to Safeway Markets in the Northwest. The Picnics go on sale Thursday, Friday and Saturday, May 5, 6 and 7, at what is considered to be an unusually low price for this class of merchandise.

Chief difference between Hams and Picnics is that Hams are cut from the hind quarter, Picnics from the fore quarter of porkers. Cured sweet and tender, as these famous Eastern brands are, few people can tell the difference in flavor between a Picnic and a Ham. Sizes range from 6 to 8 pounds, enabling any family to enjoy a wonderful "Ham" dinner and left-overs for future meals at a very small cost.

Prices in this ad are effective thru Saturday.
