PHOTOG DOUBLES AS SOFTBALL MANAGER

L. C. Harrell, Beaverton photographer, is reaching back into his Navy experience as he comes front and center as coach-manager for two teams of Beaverton youngsters entered in the Orenco softball circles.

In the senior division, Harrell is coaching the St. Cecilia's boys club, with the opening game a matter of March 11 history. Boys in this division are 16 years and over.

Other teams include Hazeldale, Reedville's "Fighting Irish", Leedy Grange, Orenco Church, Sunset Valley, Orenco Firemen and Orenco Fire, Hose and Reel.

In the age bracket of 15 years and younger, Harrell manages and coaches St. Cecilia boys with fond hopes of having a team in shape for its first game of May 18.

Plans call for a game each week for a period of 15 games. All of them will be played "under the arcs". Transportation will be furnished for all games.

Harrell, explaining his role as coach and manager, tells of softball activity during his tenure in Navy uniform.

About youth recreation, he says, "I only wish, when I was a kid, that someone would have taken the time to sponsor some athletic outlet like this. I think it's an important matter to provide some recreation."
