EQUIPMENT FREEZE PREVENTS PORTLAND TELEVISION SETUP

CEDAR MILL — "Television and Radio" was the topic covered by Art Kirkham, vice-president of KOIN Radio Station Wednesday evening, May 11 at the Community Club Meeting at the school house. Television in Portland is not possible until after the freeze of television equipment is raised. Mr. Kirkham stated that nationwide or network television service will not be developed for at least two years.

During the business meeting a plea for volunteer workers for evening work on the Scout cabin was made with several volunteers signed up.

The membership drive is creating interest ending with the June meeting. At present men and women are fairly even on points with a slight lead held by the fairer sex.

Claude Cover displayed a board prepared by Mr. F. W. Merewether showing a plan of the school property to be developed for a park and playground area.

Following the June meeting, picnics will be held during the summer months. Mr. W. A. Holley will be chairman for the first picnic on July 17 to be held on the school ground.

STUDY CLUB HOSTESS
Mrs. L. S. Uppinghouse was hostess to a study club group of which she is a member Friday evening, May 13. Oregon History is the basis of the study material being used.

"Lucky Thermals" Keep Model Aloft 8 to 14 Minutes

The second of a series of four free flight meets was held Sunday, May 8 at Hillsboro, Ore., sponsored by the Stardusters of Portland.

Flying was ideal due to the unusually fine day and "Barn Door" thermals were in existence almost all day. It was not unusual for planes to remain aloft for eight to fourteen minutes on one flight. These long flights made it tough for the unlucky modeler who did not hook into a thermal.

The Multnomah Doodlebugs were out in force and turned in a good day of flying. Those placing in the win column are as follows: George Hilton, 3rd place Class "A" Junior; John Fuez 4th place Class "A" Junior; 3rd place Class "C" Junior; Ron O'Brien, 2nd place Class "B" Junior; 2nd place Class "C" Junior; David Fuez, 4th place Class "B" Junior; Marianne Nichol 4th place Class "C" Junior; Richard Nichol, 2nd place Class "B" Senior; 3rd place Class "C" Senior; Stanley Ryder 3rd place Class "B" Senior; 4th place Class "C" Senior; Dr. Ernest Nichol 4th place Class "A" Senior; 4th place Class "B" Senior; 5th place Class "C" Senior.

Although final results on points has not been compiled, The Doodlebugs are confident that they are now leading in points for the trophy to be awarded leading club at close of the series of four contests.

The third and next free flight meet in this series will be held the latter part of this month at Hillsboro sponsored by the Hillsboro Model Club.
