

FIRE DAMAGE REPAIR

Extensive repair and redecoration is about completed at the Beaverton Barber shop, next door to the old post-office, following water and smoke damage from

the recent fire which threatened the Manning building. A new celotex ceiling, repainted walls and new partition between the barber shop and back room have been installed. Barbers Paul

Shaeffer and Bob Warner have also put in three new cabinets—to go with the improved shop surroundings.

FAMILY NOTES DATE

A family gathering, on August 2 at his home, marked the birth-

day anniversary of F. M. Kain, on Menlo Drive.

Present to enjoy the refreshments of ice cream and cake were Mr. and Mrs. L. A. Wells, Mr. and Mrs. W. J. Kain and son, Mike, and Mr. and Mrs. F. M. Kain.

Lengthening Of Banking Hours Proves Popular

A departure from the long established "banker's hours" was inaugurated in Beaverton last week with the First Security Bank announcement of continuous banking service from 9 a. m. to 6 p. m. every day of the week except Sunday.

Referring to this drastic change in banking practices, Mr. Gibson stated that the move was made in their desire to be of greater service to their accounts and from the applause given the change by many customers, the move was a popular one, Mr. Gibson stated. So far we are exceedingly well pleased with the response given to our new banking procedure. At no time on Saturday, which is the normally very heavy peak, was there a long waiting line," Mr. Gibson continued.

"The lengthened hours allowed our customers the facilities of the bank over a longer period and the load was very evenly distributed over the entire working day. At no time was there a long waiting line," Gibson said, "and we were able to handle 60% more people than at the usual 12 o'clock closing time on Saturday."

This change in hours is a departure from the tradition that has been in practice in the banking business and is one frowned on by many concerns in this profession, but longer banking hours are being given considerable attention in the planning of many financial institutions. Many of them are maintaining at least one window for after-hour depositing as a service to their patrons.

So far, according to the best information obtainable, the First Security Bank is the first independent bank to establish a practice of complete banking facilities throughout the complete business day.

Family Reunion For First Time In Twenty Years

A family gathering was held at the home of Mr. and Mrs. Dean Puckett of Beaverton last week which included Mrs. Puckett's mother and stepfather, Mr. and Mrs. E. J. Rowles from Empire, Oregon; her sister and family Mr. and Mrs. Norman Tilford and son Bruce from Portland Oregon; her brother and wife Mr. and Mrs. Ben H. Hull from Portland Oregon; aunt and uncle from Kirkland, Washington Mr. and Mrs. Charles Hull and children Beaudreau Carol and Sandra; cousins Mr. and Mrs. William Leach and daughters Donna and Peggy from Anlauf, Oregon; cousins Mrs. Doris Phillips and daughter Anita from Vancouver, Washington; cousin Arthur Hull from Vancouver, Wash. and cousins Mrs. Ethel Schultz and daughter Joanne from Ridgefield, Washington.

This was the first meeting for these members of the family for twenty years or more. The Charles Hull family spent four days and returned to Kirkland, Washington, the William Leach family returned to Anlauf, Oregon after spending three days here. Every one enjoyed a large Sunday dinner and spent the afternoon taking pictures and reminiscing old times.

THIRTEEN DAY TRIP

Mr. and Mrs. I. R. Metzler, of the Beaverton high school faculty, are still talking about their delightful 13-day vacation trip which brought them almost within shouting distance to the gates of Alaska.

Unable to obtain sea-going reservations before September on a junket to the fabulous land of the Midnight Sun, the Metzlers settled on a trip by water from Seattle to Vancouver, by way of Victoria, B. C., where they boarded a passenger liner which took them through an enchanted wonderland to Alert Bay and Port Hardy.

The tourists saw all the canneries and logging camps along the way and enjoyed contact with some of the rough men of the North who either celebrated the job they were going to or the job they were leaving.

The weather was beautiful, all the way, they report.

TWENTY MEMBERS ENJOY SADDLE CLUB OVERNIGHT PICNIC ON THE TUALATIN

Members of the Beaverton Saddle club rode across the hills Saturday evening to the home of Mr. and Mrs. Lewis on the Tualatin across from Avalon Park, where they spent the night and enjoyed boating, swimming and picnicking.

Guy Carr, Beaverton, and Sylvia Sweems and little sister of Roseburg were guests. Twenty members and mounts were present.

The trip over and back was spiced with obstacles and unexpected happenings. Riders' backs were dampened on the return trip but not their enthusiasm.

The club meets Thursday evening back of Suddell's Auction mart.

Snyder Sets Up Realty Business Aloha Location

Planning to serve the entire Tualatin Valley area, William A. "Bill" Snyder, real estate broker, has established a realty business in Aloha, three doors west of the post office in the old beauty shop location.

"Bill", who is well known in the valley, was associated for the past eighteen months with the Aloha office of Griffith and Meeke. He is active in the local chamber of commerce and was recently elected to a three year term as director on the executive board.

Snyder received his brokers license July 27 and will handle sales and rentals in real estate plus insurance and loans. Sharing his office will be A. E. Farrier, accountant.

Before coming to Oregon in 1948, Snyder was connected with a real estate firm in Oklahoma City about two years, as salesman, and he operated his own brokerage for one year.

Snyder, with his wife and daughter, live in Cedar Mill Park.

SEASIDE VACATION

Recently enjoying the full sweep of ocean breezes during a five-day vacation at Seaside were Mrs. Katherine Kelling and Catherine Van Schuyver, of Portland, and Mrs. Edna Black and daughter, Norma, of Beaverton.

The party enjoyed total relaxation from July 19 to 24, in a full list of seashore activities.

FAMILY PICNIC

A family picnic was held Sunday at the home of Mr. and Mrs. Bruce Steele. There were 19 guests and 8 children present.

 The answers to everyday insurance problems*
 By Leonard Adams

QUESTION: Why do I always have to buy fire insurance for three year periods when I buy other insurance coverage for one year at a time?
ANSWER: It isn't a question of your being forced to buy fire insurance for three year periods. It's just that the fire insurance companies have worked out a plan whereby you can obtain three years' protection at a cost of approximately two and a half times what you'd pay for one year coverage. It's easy to see that the wisest and most economical way to buy your fire insurance is on the three year plan.

* If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
