Featured entertainment at the Beaverton district recreation committee's field day, Saturday, August 27, will be presented by the PAL club of Portland, under the direction and leadership of Mickey Pease.

Included in the show these youngsters put on will be various acts of tumbling and acrobatics plus a series of boxing bouts.

Effort is being made to match various PAL boxers with boys from Beaverton. In the event that a full card cannot be made up under this plan, the club boxers will oppose each other.

Other athletic events on the evening's bill are track and field events plus a road race from Aloha to Beaverton. Entries may be made up to the start of the race through the Teen-Age Recreation club.

The PAL club, which has been presenting programs throughout the state this summer, was originated and organized by Pease as a constructive effort to combat juvenile delinquency.

From a small beginning, the group has grown in scope and stature until it holds a remarkable place, in the state, as a club for young boys.

The Rec field day will be the first local appearance of the boy performers.

The Recreation committee will circulate petitions at the field day, toward the formation of a legal recreation district.
