At least, that's his story!

State Office In Hillsboro Starts Car Plates Sale

New license plates for 1950 arrived in Hillsboro November 14 and will be available to car owners on the new schedule of fees, reports C. E. Bailey, office manager of the branch office of the secretary of state.

These new plates will be retained by the car owner for a period of five years and will be given out according to month of year when the license will expire. Cost is on the basis of the new $10 annual tariff.

Oregon passenger car owners have reportedly puzzled why, if the annual motor vehicle registration fee is $10, a license for 12 months costs $10.20. The office of the secretary of state explains that in providing for a staggered renewal, permanent plate system, it becomes necessary to issue first plates for periods of six to seventeen months, with fee varying accordingly.

To avoid fractions, the legislature on the first plates set the charge at 85c per month for the first plate. Future renewals will be at $10 per—unless the legislature adds a heavier fee in a future session. Expiration dates will follow the printed schedule, although 1949 plates expire December 31, same as in previous years.

Mr. Bailey reports a real rush of business with 12 boxes of license plates open at once—one for each month. Plate numbers will not necessarily be the same as the current ones but will be within the monthly series.

December 15 is the earliest date for the new licenses to be legally used.

JCC Plans Gala Reception For Saint Nick On Dec. 17

ANNUAL TREE, GIFTS AND DECORATION LIGHTS WILL MARK OBSERVANCE OF HOLIDAY SEASON

A warm and hearty reception for old Saint Nicholas will be sponsored Saturday morning, December 17, 10:30 a.m., by the Beaverton Junior Chamber of Commerce, with provisions made for an anticipated crowd of 1,000 youngsters.

The annual Christmas tree will be at its usual site, on the corner of Watson and Broadway, and a jovial, red-nosed Santa Claus is expected to have his hands full distributing the largess of gifts and good cheer.

Plans this year include decoration lights throughout the city and across the Canyon road highway.

Santa, as of last year, will make a special visit through town and into nearby neighborhoods to offer the traditional greetings to whatever youngsters might have missed him at the Christmas tree.

Solicitations are now beginning by various members of the Jr. Chamber, taking in all merchants in town for party funds. In their ambitious plans for an even bigger and better party than of last year, the Jaycees are hoping for generous cooperation from all business men.

Donations from individuals are also asked. They may be sent to the Beaverton post office, simply addressed: "JCC Christmas Party". All money received will go toward the annual celebration.

The committee in charge of arrangements includes Jim Duncan, Bill Dresser, Bill DuVall, Earl Enger and Bill Neese. They are being assisted, however, by practically the entire membership.

Beavers Skid Past W. Linn 8-6 In Mud Featured Game

TIGARD GIVES McMINNVILLE 7-6 SETBACK AND HILLSBORO GRABS TYV LEAGUE CROWN

In a splashing field of mud, Beaverton high school gridiron gladiators skidded past West Linn by a score of 8 to 6 on the Beavers' home field, November 11, in an afternoon game.

Costliest feature of the game for the losers was an unhappy moment in the windup moments of the first half when Larry Lee, of West Linn, was caught behind the goal line with a Statue of Liberty play. This gave Beaverton a winning margin of 2 points, as the gun ended the half.

In the first quarter, Beaverton slithered to five first downs to none for the visiting Lions, but no score was tallied. In the second quarter, Jimmy Tsugawa, star Beaverton back, flipped a 20-yard aerial delivery to Joe Balfe who made it to the 2 yard line.

After Paul Strandberg failed to dent the West Linn line, little Jimmy scatted across for his team's only touchdown.

In the fourth quarter, Jim McIntosh heaved a 20-yard pass to Lee, who was dropped a yard from the goal. McIntosh then slammed across for the tally.

Major upset of the week-end was enacted at Tigard, where the Tigers took the measure of "mighty McMinnville" to the tune of 7-6. Toby Lewis, Tigard end, in the second quarter took the ball on an end around and passed to Vic Blust, 18 yards to a touchdown. Jim Peterson clinched the win with an extra point kick.

Mac Hi's touchdown came in the fourth quarter by way of a six-yard line-smash by Sammy Johnson. Vern LeRoy's try for an extra point by a line play fizzled and set the Yamhill county stalwarts back on their haunches for the second loss of what was hoped to be their most brilliant season.

In Hillsboro, the champions of the league romped over Newberg 58-0 in a rout that completely secured their right to enter the state eliminations.

Records Indicate Gain In Schools Driver Training

DETROIT—A 50 per cent increase in high school driver training is indicated by records of the Chevrolet Motor Division which reveal 2,336 Chevrolet sedans on loan to schools by dealers.

The total compares with 1,570 Chevrolets in use a year ago, which in turn represented a steady climb since the program was launched under sponsorship of the American Automobile Association at the end of the war.

Under an arrangement with the American Automobile Association, automobile dealers supply dual-equipped training cars to the local high schools. To qualify for an automobile the school must meet certain standards of instruction set by the association.

Beaverton high school's driver-training car was obtained through the courtesy of Carr Chevrolet while Vermilye Motors in Tigard supplied the Ford driver training car used in high school instruction.
