"EASY LIVING"...

Pop's entitled to some easy living. And nothing will bring him home more happily than the thought of settling down in his special "easy" chair. Yes, Pop's chair is a mighty important item in the living room. And no matter what the decoration scheme is... he should have his own corner... near the radio... where he can enjoy his evening paper.

The corner pictured above centers around "Pop's chair"... big, roomy... with plenty of spreading room. And of course, the all-important hassock for weary feet. A table close at hand... with a large ash-tray... and a

good lamp... add the finishing touches to his own special nook. You can blend the colors... and furniture style into the rest of your room by careful choice. But if dad doesn't have a special chair all his own... it's high time to think about it. Our ideas on home decorating are built on a practical foundation. We help you to make the most of your decorating and furniture budget. Drop in and talk over your needs with us. We're always glad to see you.

Our Home Counseling Service is experienced and satisfying. Ask about it.

The second will be the regular Christmas Tree program of the Sunday School, and will be given on the Friday before Christmas, Dec. 23, at 7:30 p. m. Mrs. Eugene Crosby and Mrs. Kruger are heading up the committee for this program. The general public is invited to both programs.

Saturday of this week is to be moving day at the Canyon Road Church, when the men will be transferring the furniture, including the piano and pews, from the basement to the main chapel. Lighting fixtures are being installed this week by the L. A. Janin Electrical Co.

Pilgrim Lutheran Announces Films About Christmas

Pilgrim Lutheran Church in West Beaverton announces that it will show the following films this Saturday morning and on Sunday evening.

On Saturday morning the "Ten Commandments" in film strip form will be shown from 9:00 a. m. to 11:00 a. m. This series of ten film-strips was prepared to aid teachers of religion in impressing the will of God as contained in the Law.

They also aid pupils in understanding this will of God and the nature of a truly Christian life as it is based on the love of God and as it flows from the faith of the child of God.

On Sunday evening Pilgrim will show the slide film "Christmas in Bethlehem" which is the Christmas story in Ceramics. This will be followed by slides on the history of the church. There will also be community singing. The program begins at 8:00 p. m.

The children have also been practicing for their now well known annual presentation of the Christmas story. Children's Christmas program will be given at the church on Christmas eve, the 24th, at 7:30 p. m.

The public is cordially invited to all of these programs.
