MASS MEETING ACCEPTS NEED OF SCHOOL AUDITORIUM-GYM

By Gertrude Pearson

CEDAR MILL—At a mass meeting Friday night at the school house, discussion centered around the advisability of building an auditorium gymnasium. After discussion at great length a vote was taken ending in a decision to put to a vote a bond for a complete unit. The school board has set the date of election for February 1, 1950.

The necessity for the building was generally accepted. It was agreed that an unfinished building was not the answer. All agreed that an asphalt tile floor would be practical. The unit would include a small health room, stage, dressing rooms and showers and physical education room.
