**Here's What Local Housewives Are Saying About Their Home Freezers Today ---**

I've used a Crosley Frost-master in my home for over 2 years. Of all my appliances it is my favorite by far. Savings in shopping time and food costs and the fresh flavor of things is wonderful.

We wouldn't think of being without our Home Freezer. The children love the vegetables and desserts and it's such a time saver and "life saver" when unexpected guests drop in for the evening.

Mrs. S. N.  
Beaverton

We figure our freezer is the best investment we have ever made. It is the last thing I'll ever part with . . . You simply don't waste anything and food always tastes so fresh and it's so easy to fix.
