TB-Health Assn. Evaluates Chest Survey; F. Grove

Officers of the Washington Tuberculosis and Health association and a group of workers met in the Hillsboro office the evening of May 15 to evaluate the survey just completed in the western end of the county from Forest Grove.

It has been definitely established that through this concentrated effort more new cases of tuberculosis were revealed than during any other previous survey. The western end of the county was the first to be covered under the new four-year program where the survey was sponsored by various groups.

The next three surveys will cover Hillsboro, Beaverton and Tigard communities in turn. Plans for organization of the 1951 survey in the Hillsboro area were discussed.

Representative groups in attendance were: Lions club, Lions auxiliary, Jaycees, Junior Women's club and Business and Professional Women's clubs. Mr. and Mrs. Clarence Combs of the Dilley Community club; Mr. and Mrs. G. L. Stearns of the Tigard high school Mother and Dads club, and Mrs. Marjory Soholm of the Business and Professional Women's club, Beaverton. Mrs. Lorraine Riedman, director of X-ray survey and C. R. Bradford, consultant, both of the Oregon TB and Health association.

The next meeting will be held in the Hillsboro office, Monday evening, June 5, to organize survey committees.
