PARTIES HONOR AUSTRALIAN
BRIDE WELCOMED TO OREGON

By Gertrude Pearson

CEDAR MILL — Mrs. Charles
Hickethier has been the guest of
honor at a series of parties wel-
coming her to Oregon during the
past week.

She arrived via plane from Wel-
lington, New Zealand to join her
husband at the home of his par-
ents, Mr. and Mrs. A. E. Hickethier
of N. W. Cornell Road on June 10.
Charles Hickethier has just re-
cently returned from a trip with
the merchant marine. He hopes to
find employment and make his
home here with his New Zealand
wife, whom he married in July of
last year.

Mrs. Hickethier expressed her
delight with her trip to the states
and thrilled to our beautiful scen-
ery.

On Sunday the couple was hon-
ored at the home of his aunt, Mrs.
Carl Dick with a dinner for their
homecoming and in honor of his
birthday.

The Cornell club honored her
with a bridal shower on Wednes-
day at the home of her parents-in-
law. She was thrilled with the
American custom stating that New
Zealanders didn't honor their
brides with showers.

On Sunday, June 18, a reception
honored the couple at which time
the new bride was introduced.

GARDEN CLUB FEDERATION

Among delegates to attend the
Oregon Federation of Garden Club
convention at Klamath Falls last
week were Mrs. Peter Hohnstein
and Mrs. L. S. Uppinghouse from
the Cedar Mill Garden club.

They report an interesting ses-
sion and much knowledge gained.

PICNIC NEXT EVENT

Community club meetings will
be recessed until September follow-
ing the meeting June 14 at the
school house. A picnic is sched-
uled for Sunday July 30 with Mr.
A. N. French in charge. An an-
nouncement of the place and de-
tails will be furnished later. Plans
are under way for a carnival at
Leedy Grange hall Sept. 23 with
E. V. Love as chairman.

R. N. Torbet is now assuming
duties of ways and means chair-
man.

Program for the evening was
comprised of films titled "An Ex-
cursion in Science" including a
study in plastics; "Clean Waters",
pointing out the need for more
purification plants for waters;
"Thomas A. Edison", his life and
"Ingredient X" on electricity.
