St. Mary's Plans Two Routes For School Busline

Work is rapidly progressing on the new addition being constructed at St. Mary's of the Valley Convent and Academy located one mile west of Beaverton, Oregon.

On completion of this five-story wing, more space will be available for the furtherance of the educational program of the school.

Former and prospective students will be interested in learning that expansion plans include a new school bus service to be offered for the first time this year. At the present time, two tentative routes have been selected.

Route one will take in the areas of Beaverton, Progress, Tigard, Villa Ridge, Capitol Hill, Sellwood Bridge, Hillsdale, Glencullen, Raleigh Hills, West Slope, and Cedar Hills. Route two will follow the Tualatin valley highway to Hillsboro, Cornelius and Forest Grove returning the same way as far as Wheeler avenue, thence along Farmington road to the academy.

Crippled Children Hospital School Sets Dedication

Dedication of the new children's hospital school will highlight the annual meeting of the Oregon Society for Crippled Children and Adults, the Easter Seal agency, Howard Feast, executive director, has announced.

The meeting will be held September 21 and 22 in Eugene, where the agency's new school is located. "New Horizons for the Handicapped" will be the theme of the two-day meeting, which will attract nationally known specialists in medicine, education, rehabilitation, welfare and community services.

Open house will follow the dedication of the new hospital school building. Staff members will be available for consultations during the open house.

The meetings will be held in the Eugene hotel.
