Hillsboro Scout District Plans Two Day Circus

A two-day demonstration of woodcraft, camping, first aid, pioneering, signaling and related activities will highlight the October 20-21 Scout Circus of the Hillsboro district, reports Ted Gardner, chairman of the event. The public is cordially invited to the event, which will begin at 8 p. m. each night, in the new Hillsboro high school's new gymnasium.

Cubs, Scouts and Explorers will participate in the presentation, which will be arranged in a show of pageantry. The first demonstration of this nature, the circus will be the first public event to be staged in the new gymnasium.

Hillsboro police and fire departments and the IOOF lodge No. 50 are cooperating with the circus committee. Tickets are now on sale and may be obtained from any cub, scout or explorer within the Hillsboro district. All funds go to help individual troops and to defray district expenses for the year's activities. Aloha, Cooper Mountain, Reedville and Hazledale troops are included in the Hillsboro scout district.

Walt Donnell, Aloha, chairman of the Camping and Activities committee of the district, declares it is the hope of Scout Circus promoters to have the gym filled each night. The promise is for fun, laughs, music and an exhibition of what scouting does for the youngsters taking part.

Further information on the circus, including where tickets may be obtained, may be had by calling Donnell, at Aloha 6172.

Veterans Admin. Admits Group To Out-Patient Care

Veterans of the Spanish-American War, the Boxer Rebellion and Philippine Insurrection are now eligible for out-patient medical care without regard to service-connection, according to the Veterans Administration.

Regulations implementing their right to such care, based on Public Law 791, 81st Congress, have been sent to all VA regional offices.

To be eligible, a veteran must have served some time between April 21, 1898, and July 4, 1902 (or July 15, 1903, if the service was in Moro Province, Philippine Islands), and was discharged other than dishonorably.

An estimated 118,000 veterans have become potentially eligible for full medical and dental care in VA clinics, or at home by fee basis physicians and dentists for any illness or disability.
