

Century Club In Section's Study Treats Finance

WEST SLOPE—Mrs. Vernon Churchill, president of the Century club, giving plans for forthcoming activities of the organization remarks, "Members of the Century Club, do not have to travel to Eugene, or even Portland, for a study group in finances for women."

Since August, this section has heard lectures from prominent trust officers, brokers from National stock and bond organizations, and bankers on how to make wills, and banking procedure. The next speaker will be Mr. Harold P. Drake, agency manager for the state of Oregon, for Equitable Life Assurance Company of New York. His talk will be given on Monday, December 11, at 1:30 at the community public library in West Slope. The study group of the

Century club is open only to members of the club, but dues of the club are so nominal that these extra activities of the club are within the reach of every woman in eastern Washington county.

The community public library sponsored by the Century Club acknowledges the gift from the West Slope Lions Club, Robert Gollibeur, president, of a large quantity of good books, and also money.

CHANCE TO GIVE BLOOD

Response has not been too heavy so far. The drive is being sponsored by the Century Club for Women.

CLUB'S THANKSGIVING PROJECT OF NEEDY BASKETS ENLARGES

By Mrs. W. A. Bunnell

WEST SLOPE—Mrs. Richard Lange, newly elected president of the Broadmoor Women's Club, announces the forthcoming meeting of the club, to be held in the usual meeting place at Gabel school.

Women will be congratulated for the very generous offering and support of the Thanksgiving basket program, which enabled the committee to enlarge the scope of help to those who needed something for which to be thankful. The baskets were filled to overflowing, and the committee feels that the recipients had sufficient food to furnish more than one dinner. Mrs. Lange and Mrs. James Mosser delivered the baskets.

Although a bit early for Christmas, the club will bring out the Yuletide spirit, by using the Christmas theme for the meeting. Mrs. Gordon Manary of Newberg, has been persuaded to present various Christmas readings for which she has become noted.

Another part of the program, will be the exchange of Christmas presents, in grabbag manner, the grabbag taking the form of a huge Christmas stocking, made and donated by Mrs. Victor Atiyeh. The board of directors point out that this will result in a lot of fun, as the gifts are to be of small value.

On a more serious note, the board has requested that all members bring unneeded baby clothes, or articles for the very old who are dependents of the Washington County Home. Since this meeting is primarily concerned with the dedicated work of the club, the board has asked that only club members attend.

Refreshments are to be served after the formal meeting, when conversation and good companionship will prevail. Hostesses will be

Mrs. J. Paul Doughty, Mrs. E. C. Holland, Mrs. Robert Kerr, and Mrs. Victor Atiyeh. Pouring will be Mrs. John Taylor, and Mrs. Carroll Beckley on the hospitality committee will be Mrs. Ralph Stearns, and Mrs. A. C. Stickley.

Critical Blood Need Highlights Dec. 11 Donation

WEST SLOPE—Residents of the West Slope area and neighboring districts are urged to remember the date and time of the blood mobile visit on Monday, December 11, at the Valley Community Church, S. W. Brentwood Ave. The hours have been set from 2:30 through 6:30 p. m. to accommodate as many persons as possible.

Transportation will be provided through contact with Mrs. Redfield, Beacon 4557 and donor cards may be picked up at West Slope Pharmacy, the bank or at West Slope Hardware store. Appointments can then be made to facilitate the time of patriotic and civic minded citizens who are willing to give the gift of blood toward the present great need.

In face of the extreme war news from Korea, many veterans of World War II are showing concern and interest in this program which worked such life giving miracles in the last war. The cooperation of every organization in meeting the critical need is gratefully acknowledged by the Red Cross and the Century Club, sponsors of the West Slope drive.
