

TO MANAGE FUSION CAMPAIGN

Acting with the power given him by the Citizens' mass meeting Monday night, Chairman J. P. Shaw of that meeting has appointed a city and county committee of 14 members to manage the campaign in the interest of the Citizens' ticket.

The committee is composed of good political workers who have long been in harness in their respective parties. Some of them are Democrats and others are Republicans. The committee met last night at the headquarters of the Democratic State Committee and organized.

Miller Murdoch was elected chairman and W. N. Gatens secretary. Ten of the 14 members were present. The general plan of the campaign was discussed, but little definite work was done.

The question of who shall run for Councilman from the Ninth Ward keeps bobbing up. It is not yet settled. It was at first intended to give this place to the Republicans, but later on it was ascertained that the Woodmen of the World were booming Mr. Raymond, a Democrat, for the place, and that they had worked up a big sentiment in his favor. It was then decided to let the Democrats have the job. Thereupon the Republicans kicked, and the affair is still in statu quo.

The meeting last night was somewhat in the nature of a talkfest. Captain Sam White was present, and he and Captain Shaw consumed much time in swapping their military experiences. Now and then the talk would revert to the question of Councilman in the Second Ward, which is still undecided.

The personnel of the committee is as follows:

First Ward, M. L. Nicholas; Second Ward, A. W. Allen; Third Ward, S. C. Spencer; Fourth Ward, Alex. Sweet; Fifth Ward, L. D. Cole; Sixth Ward, John Lamont; Seventh Ward, Peter Hobbirk; Eighth Ward, Fred A. Niedermark; Ninth Ward, W. H. Gatens; Tenth Ward, M. T. Munley; Eleventh Ward, J. R. Swinton; country precincts, Miller Murdoch, J. W. Shattuck, W. J. Miller.
