A LITTLE STORE HISTORY

OUR FOURTH EXPANSION

The pennies we save you grow into dollars. You can use the dollars we save you.

QUALITY

The price of an article cuts no figure if the quality is not right, for the quality is remembered a long time after the price is forgotten. We guarantee you right quality at right prices.

A MARVELOUS SUCCESS

For the fourth time in the last ten years we have been compelled to enlarge our accommodations to meet the demands of our ever increasing trade and during the present rebuilding of OUR STORE on the corner of Third and Morrison streets, we will carry on our business here, and we promise our friends some of the GREATEST BARGAINS in the STORE'S HISTORY.

ECONOMY

True economy is not in buying inferior goods, but in getting reliable goods at low prices. No matter how low the price may be we guarantee the quality. Nothing will induce us to sell unworthy goods.

Our Spring Stock is Now Complete

We are now ready to enter upon a season of low priced selling that will eclipse any of our former efforts in bargain giving. Every nook and corner of our big store fairly bristles with bargains. Look where you will through the various departments and bargains meet your eye. A bargain in the true sense is a bargain for both buyer and seller, or it is no longer a bargain. These are genuine bargains—immense stock of dependable merchandise purchased at an opportune time, selected by shrewd buyers trained in a knowledge of worth, value and qualities, are gathered together here for your inspection, and marked at sub-cellar prices. YOU SHALL BE THE JUDGE AND THE JURY. Compare these prices with others, come in and see the quality, then render your VERDICT.
