A CLEAN-CUT ISSUE. Mr. Fulton has opened Mr. Furnish's campaign at Ashland. A good part of it is devoted to attacking Mr. Chamberlain's position that fees of state officers should be abolished...

THE COMPENSATION OF THE SECRETARY OF STATE AND EXPENSES OF HIS OFFICE HAVE BEEN INCREASED BEYOND THE CONSTITUTIONAL LIMIT BY ONE LEGISLATURE AFTER ANOTHER UNTIL IT NOW REACHES THE ENORMOUS SUM OF \$22,000.

THE CIVIL SERVICE. The greatest burlesque in Oregon today, save, perhaps, the spectacle of Banker Furnish being at the very head of the Republican party of the state, is the pretense of enforcing the civil service laws of the country in our midst...

LIGHTNING CHANGES. On election day two years ago the Oregonian said that "the Mitchell-McBride faction, with its office-holders and affiliated gangs, is the closest, the most selfish and the most exclusive ring ever known in our politics. For 30 years it has ruled with a high hand and has always been unscrupulous and always corrupt."

Who has left the "affiliated gang" and become less "corrupt" than when he was receiving the roast of the Oregonian? Just one name, please?

has been corrupt for 30 years. This message should be sent direct to the President with the indorsement of Harvey Scott.

Mr. Fulton, the Polonius of the campaign, uses this language: "It (the Democratic party) still stands for free silver. True, it does not in this state put this forward as cardinal doctrine, but it makes no pretense of having discarded it."

Coming from Charlie, that is rich, indeed. Mr. Fulton did his very level best to commit his party to free silver at the ratio of 16 to 1. Has he forgotten his interview advocating free silver reprinted in the Oregonian?

The Governor of the state has about as much to do with governing the Philippines as he has to do with controlling the north star. By all means, continue to howl the Philippine question as a means of diverting public attention from the fact that the men who were in the field in 1896 converting men to sound money are now

compelled to stand back in order that Banker Furnish be given an opportunity to "give the people a campaign that they will be proud of." What importance are the Philippines when compared with such a campaign? It is not every man who can "give" a campaign.

Mr. Furnish's advertiser (40 cents a line, head of column, next to reading matter) expresses mortal terror lest his defeat should result in Philippine independence. Perish the thought! Before that shall happen the editor of the Furnish advertiser will immolate himself upon the altar of his country, and permit himself to be plunged headlong into that maelstrom of corruption, the United States Senate.

They do say that Mr. George Chamberlain ought not to be elected Governor because he has social qualities that endear him to his friends. That would seem to imply that Mr. Furnish is of an opposite character, but he is not probably as bad in that respect as the Oregonian has painted him. But if unsocial qualities constitute gubernatorial qualifications, what an ideal candidate Mr. Scott would have made!

The Lane County Prohibitionists will hold their convention Saturday. Plans are being prepared for a new armory building for Ashland. The Medford Southern Oregonian is advocating the building of a boulevard between Medford and Jacksonville. The plan looks feasible.

The Medford jail is now without an occupant. The city marshal at Pendleton has notified the city to stop selling liquor to minors and drunks. The contract for furnishing most of the poles on the Ashland-Lakeview telephone line has been let, and it is expected that the two cities will soon be joined by wire. Milton fruit shippers are after the O. R. & N. Company to establish a cold storage plant in that city.

A few words, too, but not many. This reminds us of that bird called a New England kill-dee, that is so weak as to require two birds to make the kill-dee call—one to cry "kill" and the other to cry "dee."

Mr. Jack Falstaff Matthews is unhappy lost the national Republican party is going to lose him in this election. Banish Carey; banish Courtney; banish Sanderson Reed; banish even Harvey Scott, but banish not fat Jack, slick Jack, smart Jack—banish Jack and banish all the world.

It is against George Chamberlain that he is a good fellow. It must, therefore, be for Mr. Furnish that Mr. Furnish isn't. Mr. McGinn's letter to a club, which he could not attend, declares that the recent primary was "the first fair primary ever carried in this county." That's hard on Henry. He carried most of them.

THROUGHOUT THE STATE. The Lane County Prohibitionists will hold their convention Saturday. Plans are being prepared for a new armory building for Ashland. The Medford Southern Oregonian is advocating the building of a boulevard between Medford and Jacksonville. The plan looks feasible.

Besides a new bank and building, it is said that a number of new residences are contemplated. A new cave has been located at the head of Malheur valley that is said to rival the Mammoth cave in Kentucky.

THE JOURNAL JR. A WEEKLY CHRONICLE OF SCHOOL NEWS OF PORTLAND.

Conducted by Students of Portland's High School, and contributed to by all city schools.

W. A. DILL, C. P. SARGENT, High School Editors in Chief.

High School Notes.

The school was dismissed at noon Friday, that the children might attend the exercises of the Humane Society at the Marquam. No program was held at either the To-Logelon or the Philoxian Literary Societies last Friday, because of the half holiday.

High School Debate.

In the debate between the Vancouver High School and the To-Logelon Society Vancouver won by a vote of three out of the five judges. Parcel, Bateman and Wintler, who composed the victorious team, supported the affirmative of the question, "Resolved, That the policy of excluding Chinese laborers from the United States should be maintained."

Couch School Honored.

Yesterday afternoon the Oregon Humane Society celebrated its twenty-first anniversary before the largest attendance ever seen at the Marquam Theatre. Long before the opening hour crowds of school children were seen on their way to the Marquam. The opera house was soon filled and many persons were turned away.

The program rendered by the pupils of the Couch School was very interesting. The general arrangement of the exercises was under the direction of Professor J. Burnham, director of that school. Robert Krohn, director of physical training of the Portland public schools, was in charge of the drills, which attested his careful training of the pupils. The songs, under the direction of Miss Anna Rankin, were very well rendered. Mr. W. T. Shanahan was master of ceremonies. The program was as follows:

Marquam orchestra; short address, Rev. T. L. Elliot, D. D.; callisthenics, 90 pupils Couch School; orchestra; reading of prize essay, Laura Houser of Sunnyside School, "Example of Animal Intelligence"; song, "The Bugaboo Man," 25 little girls from Couch School; flag drill, by 40 pupils from Couch School, assisted by Miss Beulah Cadwell and juniors of Multnomah Club; orchestra; reading prize essay, Mabel Redington of Park School, "Fanny, a Japanese Pug"; song and chorus, "Brave Battery Boys," by 38 pupils; orchestra; reading prize essay, "Barney Barnato," Hazel Olmstead of Thompson School; mixed drill—clubs, wands and dumb bells, by 70 pupils of Couch School; orchestra; song, "Five Knights," by 30 pupils from Couch School; orchestra; presentation of prizes, by Rev. T. L. Elliot.

Sunnyside.

Miss Edith Darling, who has been pupil teacher in Sunnyside school for the last thirteen months, has been appointed to Atkinson school to substitute in the Ninth "A" class, the teacher of that class being ill. Miss Edith Campbell has been transferred from the South Portland School to the place formerly occupied by Miss Darling.

Stephens School.

Clara Haslam and Hulda Herald of the Seventh "B" were absent from school two days of this week on account of illness. Mabel Stronach, who died of scarlet fever, was buried last Friday. She was bright and studious, and will be missed by her little friends.

Chapman School.

The two circuses which were in Portland the first of this week were visited by many of the school children. Preparations are making for an entertainment to be given here in the near future, the pupils of each room participating. Carrie Hansen of the Ninth "B" has returned to school after two weeks of severe illness.

Park School.

Professor Krohn gave the pupils of the school their drill in gymnastics Tuesday. The pupils were given a short talk in the Assembly Hall one day last week by Mr. Groat, the principal. He spoke of the advantages to be derived from a good school education, and urged the pupils to do their best in the acquiring of the same. They were much impressed with the force of his remarks.

Williams Avenue School.

Marian Hall of the Sixth "A," is reported on the sick list. Robert Hunter of the Sixth "A," returned to school Monday. Marie Johnson of the Seventh "A," and Opal Arthur of the Sixth "B," were absent Tuesday. Gladys Williams of the Sixth "B" and Mary Tappendin of the Eighth grade were absent Monday on account of illness. On Friday of last week Viola Greene of the Eighth "B" went to Gaston, Ore., to remain until Tuesday, but has returned. Daniel Ward and George Ellis of the Seventh "A" were absent Monday. The pupils of the Seventh "B" are beginning to study astronomy, in spite of the fact that stars are seldom visible in our misty Oregon sky.

Track Team Meets.

The High School track team, under the management of George Eagleton, will hold a meet with Pacific College at Newberg on the 10th, and with the Eugene High School on the 11th. Oscar Kerrigan has been elected captain, to succeed Dick Hathaway, resigned. The following events will take place at the above-mentioned places: One hundred-yard dash, 220-yard dash, 440-yard run, 880-yard run, mile run, 120-yard hurdle, 220-yard hurdle, running high jump, running broad jump, pole vault, shot put and hammer throw.

Thompson School.

We are pleased to note that Hazel Olmstead, a pupil of the Fourth grade, won the first prize given by the Humane Society for the best composition on a humane subject. We congratulate Miss Hazel, also her teacher, Miss Frances Martin, on her victory. Mrs. Thomas (nee Miss Little Davy), a former teacher in the Portland schools, and her daughter Alice visited the school this week. The committee has begun the preparation of an excellent program for Memorial day. Two new pupils—Mary Whitcomb Failing and Frank Cantwell—were registered this week.

Wins Cash Prize.

Mabel Redington of the Seventh grade was awarded \$10 in cash by the Oregon Humane Society for the best essay on a humane subject. The successful production was entitled "Fanny, a Japanese Pug."

Couch School News.

A merry party of 24 grammar grade girls, under the care of one of the teachers, attended the Norris & Rowe dog and pony show on Monday evening. Jean Lyons of the Eighth grade has

returned to school after a severe illness. On Monday at 10:30 the bell for the fire drill sounded, and the pupils marched out upon the sidewalk and watched the Pan-American parade. Mr. Waddell, principal of the Chapman School, visited this school Tuesday to obtain ideas regarding the mixed drill. He will utilize them in a future exercise to be given by the pupils of that school.
