ST. HELENS PEOPLE

Heard Chamberlain and Wann in an Enthusiastic Meeting.

(Journal Special Service.) ST. HELENS, Or., May 14.—An old-fashioned Democratic rally was held here Friday evening in the opera house, which was well filled by representatives from all over the county, both Democrats and Republicans.

Hon. George E. Chamberlain was then introduced by the chairman. From the first words of Mr. Chamberlain to his last the audience was all attention and seemed to drink in the good news in great draughts. It is the first time in many years that St. Helens has contributed so largely to its presence at a political meeting, notwithstanding the night was dark and the weather inclement.

Mr. Chamberlain spoke for nearly two hours and defined in a very clear manner the position that the Democratic party had taken on the Philippine question. That the Democratic party was in favor of placing the Constitution at the base of the flag and unfolding its tenets to the inhabitants of our new possessions and helping them to become better citizens of their own country was set forth.

Chamberlain made many warm friends here, and it is safe to say that he will carry this county.
