

The FIELD OF SPORT

Baseball. Championship. Baseball. Opening Series. Pacific Northwest League. Saturday, 3:30 p. m. Grounds, 24th and Vaughn. Helena.

There is a strong probability that there will be no meet between the University of Oregon and the University of Washington at Seattle today. The bone of contention is the protest filed against the Pearson brothers.

STANDING OF THE CLUBS. Won. Lost. P. C. Seattle 9 4 .692. Butte 7 5 .583. Portland 6 5 .545. Spokane 7 6 .538. Tacoma 5 7 .417. Helena 2 9 .182.

There was no ball game on the Port land grounds yesterday. When the teams assembled on the field it was mutually agreed to postpone the game, inasmuch as there was an inch or so of water and slush on the diamond.

TACOMA KICKS. Umpire Cunningham, who is officiating here, while called upon to decide several close plays, has never raised a kick.

Struck out—By Johnson 3, by Gay 1. Bases on balls—By Johnson 3, by Gay 1. Hit by pitcher—Gay 1. Passed ball—Smith. Stolen bases—Kane 2, Treadway, McCloskey. Two-base hits—D. McCarthy, Hutchinson, Marshall, McIntyre. Sacrifice hits—Andrews, McIntyre. Double plays—Gay to McIntyre to McCloskey; Marshall to Ward to McCloskey; Fletcher to J. McCarthy; Fisher to Hutchinson. Left on bases—Butte 7, Tacoma 5. Time of game, 1 hour and 45 minutes. Umpire—Mullane.

SPOKANE ALSO COMPLAINS. "Kicking" at the umpire when a team loses is an old story. The judges of balls, strikes and base running of the Pacific Northwest League were carefully selected, and, while they might unintentionally err, they are all considered capable and just men.

Howells, playing second base for Spokane, was responsible in the main for the loss of the game. His two errors were costly, giving Seattle four of the last runs made. The summary: Spokane 4 2 0 0 0 0 1 4 3 *-10. Struck out—By Hogg 5, by Russell 1. Bases on balls—By Hogg 5, by Russell 4. Stolen bases—Elsley 2, Bodie 2, Donahue, Glendon, McLaughlin, Campbell, Hurley. Double play—Howells to Elsley. Three-base hits—Kelly and Elsley. Two-base hits—Donahue, Huriburt. Left on bases—Kelly, Babbett. Hit by pitcher—By Russell 2. Time of game, 1 hour and 29 minutes. Umpire, Colgan.

The impression prevails that "Lanky Bob" Fitzsimmons is the tallest of the heavyweight fighters, and perhaps this is due to the fact that the word "lanky" has in this instance been incorrectly used in referring to height.

Gus Ruhlin towers over both Fitzsimmons and Jeffries in size. The Akron Giant is the tallest man in the fighting business today. Big Ed Dunkhorst might give Gus a run for the money, but Ed is out of the game, and Gus has a clear field. Ruhlin's height is six feet two inches. Jeffries is just half an inch smaller than the Akron man.

A letter received from Biddy Bishop, who is well known in Portland, states that he is recovering at Hot Springs, Ark., from the attack of partial paralysis. It was Bishop who fought Young Peter Jackson to the front in the fistie world.

Young Corbett may have to undergo an operation similar to that performed on Terry McGovern's nose before the Brooklyn lad met Dave Sullivan at Louisville. For some time Corbett has found it difficult to breathe properly, and a few days ago consulted a prominent surgeon in Denver to learn the cause of the trouble. It was discovered that the cartilage in the center of his nose has become hardened from being bruised so often, and, as a result, Corbett finds his breathing apparatus going back on him.

He believes that the injury to his nose should be looked after at once, but Manager Johnny Corbett is in hopes of getting his champion cured without an operation, and will wait for several weeks to see if there is any improvement from the medical attention he is now receiving.

ing. Corbett has been training right along at Denver, and says that he is not particular where his fight with McGovern comes off.

The Reliance Club, Oakland, Cal., has succeeded in getting a good match by signing Herrera, the Bakerville lightweight, and Rufe Turner. The men have agreed to weigh 128 pounds at 6 o'clock, and everything is fixed by the date. This will doubtless be the 23d, as the Britt-Lavigne battle takes place the following week.

In matching Turner and the Mexican club has secured a match which several clubs have tried in vain to get. There has always been some difficulty about the weight. Turner now has agreed to the weight asked for by Herrera and the contest is assured.

Jimmy Britt, the promising San Francisco lightweight boxer, who is matched to box Lavigne on May 29, was rather disappointed over the defeat of Frank Erne at the hands of Joe Gans. If he defeated Lavigne, Britt was in high hopes of being matched with Erne to battle for the lightweight championship in France during the month of June, but now Jimmy's championship aspirations will have to "take a back seat" until somebody else in the lightweight division lowers the colors of the new champion. Britt will not go into the ring with a colored boxer under any circumstances.

Bob Fitzsimmons and wife went to a San Francisco theater to see the show, but the audience took Bob to "pipe at" more than the actors. He was soundly cheered as he entered and there were calls for a speech, but the big fellow just smiled and bowed his acknowledgments. After the show about 300 people waited for him to come out and followed him down the street.

Young Gibbs has been offered an engagement with Mose La Fontaine at Salt Lake City and he has sent his acceptance. The report that Gibbs weighed as much as Tim Murphy is not true. He said that he tipped the scales under 160 pounds, but he is willing to fight any 154-pound man on the Coast, and this does not bar Harry Foley.

ANN ARBOR, Mich., May 16.—Crack high school athletes from various cities and towns of Michigan, Wisconsin, Indiana, Ohio and Illinois are taking part in the fifth annual intercollegiate meet, which began on Regents' Field this afternoon under the auspices of the athletic department of the University of Michigan. The meet covers two days, and judging from the number and high standing of the contestants it will be the most successful ever held here.

This afternoon's program was as follows: Tents in track events—100-yard dash, 150-yard high hurdles, 400-yard run, 100-yard dash (second trial heats), 200-yard dash, 200-yard low hurdles; half-mile run, 200-yard dash (second trial heats), 200-yard low hurdles (second trial heats).

Kid Parker is arranging his affairs to go back to Denver on some important business. He says he will be back in San Francisco in time to attend the Britt-Lavigne fight.

ises to be a lively contest before the Ottawa Athletic Club tonight, when George Dixon, the ex-champion, and Billy-Ryan of Syracuse come together in a 20-round bout. Both appear to be in good trim as a result of their several weeks' training.

Big Joe Stull of the Monograms is again behind the counter. He has resigned from the club at the imperative request of the many lady admirers, who wish him to measure out their ribbons and other articles. This would not phase Joe very much, but these requests were reinforced by his employers, who saw trade slipping through their fingers. Joe had no sooner resigned than he was approached with a proposition to join the Upworth team. Now the poor fellow is in a quandary. He doesn't know whether to quit his clerkship or go out for better or worse. Stick to your job, Joe, as many a jealous man would like to have the smiles showered upon you.

Louis Mahaffey will not be able to play in this series of baseball. The specialist who is treating him for the injury he received at Spokane says that, while he is getting along nicely, he would be taking desperate chances in going into the game inside of a week. Engle, Whitbeck and Joe Mahaffey will do the pitching.

Fleming of the Monograms, who was mentioned by The Journal recently as being of professional ability, has been signed by Manager Flannery of the Helena team, to help strengthen the club. There is no gainsaying the fact that Fleming is a good man and his many admirers will be glad to read of his good fortune.

President Whittemore of the Portland Baseball Club yesterday received a dispatch from President Hart of the Chicago National League Club, in which it is stated that "Red" Tinker has "made good" at the Windy-City. The Chicago people will pay Portland \$600 for Tinker's release.

Walcott is confident he can whip Gardner. His ability to hit from any position, his boxing skill and his diminutive size, combined with the make-up of a giant, present a task for Gardner which is almost too much for the Easterner to handle. Walcott is 50 per cent better today than he was last September. There is one thing California can rest assured of—they will see the best scrap on the present occasion which has been furnished them in some time.

The directors of the Multnomah Club met last night for the purpose of electing a president, vice, F. A. Nitchey, resigned, but deferred action until the regular meeting of the board next Thursday evening.

"Reddy" Gallagher yesterday deposited with the sporting editor of the Denver Republican \$500 as a guarantee of a \$6000 purse for a boxing contest in this city between Young Corbett and Dave Sullivan, winner to take all. Young Corbett's manager has already agreed to the match.

Young Corbett and Joe Bernstein, the New York featherweight, were matched yesterday to fight in Chicago on June 2.

A game of basket-ball between the Sunnyside and Albina Boys' Brigade teams will be played in the hall of the former at Sunnyside tonight.

THE DALLIES, May 16.—Mayor Farley has granted Jack Downey and Jack Daly permission to engage in a 15-round boxing contest at the Vogt Opera-House next Monday night. The stipulations are that 10 per cent of the ticket sales shall go for charitable purposes. F. E. Johnson, Downey's trainer, is now in the city making arrangements for the mill. Daly is a Chicago pugilist and will arrive in The Dalles Saturday noon. Downey is a New Yorker. Other features of the evening will be scientific bag-punching and a wrestling match between Larson and Moxie of Portland.

"Cleanliness is next to Godliness" is a Proverb that is nowhere more applicable than in dentistry. Cleanliness—absolute, chemical cleanliness is essential to guard against transmission of disease from patient to patient. We employ a number of lady attendants whose duty it is to disinfect each instrument with antiseptics as soon as it is used. Tooth troubles are progressive, and hence decayed teeth should be attended to at once. We aim never to extract a tooth except when absolutely necessary. Our system of extracting, and of crowns and bridge work is absolutely painless. "IT DIDN'T HURT A BIT." We employ only skilled specialists of long experience. No dental students about the place.
