ANNUAL DANCE AT MILITARY ACADEMY The annual dance of the cadet officers of Hill's Military Academy was given Tuesday night and was a most brilliant military affair. The hosts were Commandant G. C. von Egloffstein, Wilmer D. McCully, Joseph Steiner, Hubert F. Parsons, Jesse R. Martin, Harland H. Olmsted, Robert D. Brooks, Lawrence Homan, Clement G. Smith, Albert E. Withrow, Lester T. Hodson, Ernest E. Streit, Malcolm R. MacEwan and Maxwell Mitchell. Dancing was in the armory, the grand march being led by Commandant von Egloffstein and Miss Bettinson of Saint Helen's Hall. There were over 100 couples in the march. The color effects produced by the combination of the gray, many colored gowns of the ladies, the black evening suits of the guests and the gray and blue caps and white full dress uniforms of the cadets was striking, so that several figures of the march were greatly applauded by the large number of chaperones and spectators. The hall was elaborately decorated with a variety of American flags. Signal flags from the various ships in port were secured and used for decoration, and at one end of the room the initial letters of the academy were represented. A lemonade booth of cedar boughs, the stand of which resembled the trunk of a large tree, occupied one corner of the room. Nearly every room contained some artistic decoration that was of interest. A collection of pioneer relics and another of Indian curios were especially noticed and admired. In the club rooms the unique furnishings were an attractive feature. Refreshments were served in the dining hall at 11 o'clock, and just at the midnight hour the commandant presented Dr. Hill with an elegant riding crop, the gift of the cadet officers of the academy in honor of his 47th birthday. The dance ended at 12:30. The next dance and the largest of the year will be the commencement hop on June 17. He is a lawyer of large experience, of superior attainments, and the people who know him best have been in the habit of placing large responsibilities upon him. JAMES H. RALEY

See of Joint Senator from Umatilla and Union counties, was the author of the Raley irrigation law, author of the bill creating the Eastern Oregon State Normal School, of which he has been one of the regents during all the time of its existence, and has served in the capacity of Mayor and Councilman of his home city.

Now Mr. Raley comes before the voters of the state for the office of Attorney-General. His qualifications were passed upon when the Supreme Court so highly complimented him at the time it admitted him to practice before it. If elected to the office for which he has been nominated, there need be no fear that he will not care for the interests of Oregon in that station just as conscientiously as he has those of the places with which his neighbor have honored him in times gone by.

FOR CITY TREASURER. J. E. Werlein, Citizens' candidate for City Treasurer, has resided in Portland 16 years. When Frank Hachoney was Treasurer of Portland Mr. Werlein was his deputy. Two years ago the Republican party elected him to succeed Mr. Hachoney, and if anyone has had reason to unfavorably criticize his management of the office that person has held his peace. The fact is, the gentleman

J. E. WERLEIN.

has been unusually diligent in the performance of his duties, even to journeying to the East to investigate the methods employed by the treasurers of larger municipalities. If Mr. Werlein was competent when elected by the Republican party two years ago, he is especially much better qualified at this time to conduct the affairs of his position. This should be a good reason for re-electing him.

STILL LEADS Miss Benedict Now Has 658 Votes. The Journal knew that each and every one of Portland's girls were just pling to get away from the everyday life and go to the blue Pacific where the cool salt breezes blow, and that is exactly why this contest was inaugurated. That its conclusions were correct has been evidenced by the volume of votes which has been pouring into this office since the opening of the contest. Another new contestant has appeared in the field in the person of Miss Mildred R. Webb, who starts out with 21 votes. The following letter was received this morning: "The Journal—This one vote is merely a nominating vote for my choice, Miss Mildred R. Webb. The friends of the young lady will later rally to her support. Respectfully, JOHN JONES." Another friend of Miss Webb has sent in 20 votes, making a total of 21 to her credit. Today Miss Margaret Benedict is still in the lead with 658 votes. Miss Etta Winkelmann is second, having a total of 315 votes. It is understood that there are several persons who have a large number of votes to their credit, but who have not yet appeared as contestants, intending to deposit their votes at a later date. It would be advisable for those persons to deposit their votes with The Journal at once, that they may be credited. Hereafter all votes received after 8 a. m. will be included in the count for the following day. Here is the vote for today: Miss Margaret Benedict.....658 Miss Barbara Westenfelder.....27 Miss Minnie Harris.....27 Miss Etta Winkelmann.....315 Miss Margaret Chapman.....202 Mrs. Catharine Adams.....100 Miss Alice Stayton.....87 Miss Elizabeth Reiffenrath.....78 Miss Lizzie Wilson.....57 Miss Mildred R. Many of the salesmen desire to participate in the exercises of the day, as well as to decorate graves in the cemetery. J. B. WEBBER, Secretary.

A PARTY ADDRESS Democratic Executive Committee Gives Reasons Why Citizens' Ticket Should Be Strongly Supported. Portland, Or., May 26.—(To the Democratic Voters of the City of Portland and County of Multnomah.)—The Democratic city and county convention, by a very large majority, decided that it was unwise to put a straight Democratic ticket in the field for the coming election, and advised that the Democrats join with other citizens in putting up a ticket under the name, "Citizens."

This advice was followed, and the present Citizens' ticket is the result. Although a number of the members of this committee were opposed to this action in the first instance, we all bow to the decision of the large majority, and now most earnestly urge all Democrats to support the "Citizens' ticket" thus nominated, and every part of it. If it be necessary to state any reason why Democrats should support the Citizens' ticket among the many which suggest themselves your committee will mention the following: PARTY LOYALTY. A large majority of your representatives in caucus convention assembled, having in view what they believed to be the best interests of our party, as well as the best interests of our city and county, have advised this course, and have assisted in the nomination of the ticket you are asked to support, and party loyalty and the public welfare demands that all Democrats support the ticket thus nominated.

THE PERSONNEL OF THE TICKET. As regards the personnel of the ticket, we can safely challenge comparison with other tickets in the field. The ticket, without exception, is composed of good, capable, honest men, men who will we believe, faithfully and honestly discharge the duties of the offices for which they are candidates. Their election will reflect credit on the party, and will surely be in the interests of good government for the city and county. WILL HELP OUR STATE TICKET. The earnest and enthusiastic support of the Citizens ticket by the Democrats of this county will greatly contribute to the success of our state ticket. THE REPUBLICAN LEGISLATIVE TICKET MUST BE DEFEATED. The election of the Republican legislative ticket in this county means, in all probability, THE ELECTION OF HON. C. W. FULTON, OF ASTORIA, to the United States Senate. This is a matter of VITAL IMPORTANCE to the people of the city of Portland and the county of Multnomah. The interests of the state and especially of this county cannot be safely entrusted to Mr. Fulton in the United States Senate. THE VERY LIFE OF OUR CITY depends upon an open river to the sea. Multnomah County can afford to take no chances in this matter, should unite to defeat the Republican legislative ticket, and to elect the Citizens ticket.

WHAT WILL YOU DO? Fellow Democrats—in the language of the street, "it is up to you." We think we speak advisedly when we say that if the Democrats of this county do their duty and give their earnest active support to the Citizens ticket, the entire ticket will be elected. And we believe that this will very greatly aid and strengthen our state ticket. We, therefore, most earnestly urge you to do everything in your power to accomplish this result. We also earnestly recommend that all Democrats vote for the initiative and referendum amendment to the constitution.

Woman's Missionary Society. The annual state rally of the Woman's Home Missionary Society and the Oregon branch of the Board of the Pacific was held at the First Congregational Church yesterday, a large attendance making the meeting interesting. Mrs. D. B. Gray presided on behalf of the Board of the Pacific and in the absence of Mrs. Eggert, president of the Home Missionary Society, Mrs. C. F. Clapp presided. After the devotional service conducted by Mrs. F. V. Jones, a number of papers were read, being in the nature of reports and prospects for the various works. They were on the following subjects: Our Auxiliaries, Mrs. D. Clark; Our Young Peoples' Society, Mrs. W. D. Palmer; Our Oregon Branch Missionaries, Mrs. G. M. Parker; Our Treasurers, Mrs. C. F. Clapp; Mission Study, Miss M. F. Farnham. Mrs. H. A. Risser read a paper describing the model missionary society, that was of vast interest, and the morning session closed with the question box conducted by Mrs. Casswell-Broad. Mrs. Broad is the ex-national president of the woman's department of home missions and has done active missionary work both at home and in foreign lands. The questions she discussed were of vital interest to all missions, and also a number of questions relating to Sunday school work were brought up for answers. She has visited Oregon several times before and has many friends here. The afternoon session consisted principally of addresses by Rev. C. F. Clapp, Mrs. Broad and Rev. S. M. Freeland. Rev. Broad, formerly state superintendent of missions in Kansas, gave a scripture exposition.
