

GENERAL CALLOUT

Soft Coal Miners All Over Country

May Go Out After the Sunday Conference.

(Scripps-McRae News Association.)
SPRINGFIELD, Ill., June 13.—The officials of the Illinois district of the United Mine Workers have received secret orders to attend the conference at Wilkesbarre on Sunday. In view of the fact that it was reported last night that 45,000 soft coal miners of Illinois will be called out, it is believed that a general call out of all soft miners in the United States will be decided on at the Sunday conference.

RAILWAY MEN MAY GET IN.
WILKESBARRE, June 13.—It was learned today that a meeting of the Brotherhood of Employees of the Delaware, Lackawanna & Western will be held on Sunday to discuss their position in the anthracite strike and decide upon a policy.

NO CHANGE.
WILKESBARRE, June 13.—John Mitchell said this morning that the strike situation is unchanged, nothing having occurred during the night to alter the status.

RAIN DAMPENED ARDOR.
PAWTUCKET, R. I., June 13.—A severe thunder storm, which passed over the city this morning, dampened the ardor of the striking conductors, motormen and stowaways. Hardly a utter's dose of people could be seen on the street where yesterday's exciting scenes occurred. It is conceded, however, that the storm only acted as a temporary check to operations. The militia returned to the army today under arms and awaiting orders.

MITCHELL EXPLAINS.
WILKESBARRE, June 13.—Mitchell said this afternoon that the order calling Ryan to Wilkesbarre had only to do with Illinois affairs.

SOME CARS MOVED.
PAWTUCKET, June 13.—Several cars guarded by deputies moved this morning. No passengers were aboard. No attempt was made to hold them up. The Governor announced today that he would not withdraw the militia until peace is absolutely assured.

OOM PAUL VERY SICK

AMSTERDAM, June 13.—The condition of Paul Kruger continues to cause apprehension. He has not yet recovered from the shock caused by the surrender of the Boers. The strain of waiting through the long months and years of the war, and the wrecking of the aged President's high hopes for the independence of the Boer republic, have operated to dishearten Oom Paul. His physicians fear he will not long survive the shock of the surrender of his former followers.

A MURDERER HANGED

(Scripps-McRae News Association.)
SAVANNAH, Ga., June 13.—James F. Wheelock was hanged this morning for the murder of the aged Mrs. Emily Martin at Couleaves, Butte county, in March, 1901. He criminally assaulted and strangled her. He died protesting his innocence.

The public will be invited. On Tuesday evening the academy will give a party to close the school year.

For School Director.

Portland, Or., June 12, 1902.
To the Honorable George H. Williams, C. B. Bellinger, H. S. Rowe, D. M. Dunne, C. E. S. Wood, and others:
After careful consideration, and not without some hesitation, I have decided to comply with your request that I permit my name to be used for re-election to the office of director of school district No. 1, of Multnomah county, Oregon. I desire to express my sincere thanks for the kindly opinions expressed by you of my services during the term now closing. Respectfully yours,
J. V. BEACH.

The memorial resolutions presented for the honored dead of the order by the committee appointed for the purpose were adopted. The impressive services and ceremonies regarding the dead will take place at the Taylor Street Methodist Episcopal church this evening, at which time an impressive program will be presented.

Congratulations were received from the subordinate lodge at Winnipeg, Manitoba, which were made part of the record.

The principal matter of business which came up during the session, and to which the major portion of the time was devoted for discussion, was one relating to beneficiary certificates. The main question at issue was as to whether members should have the privilege of making their beneficiary certificates payable to their subordinate lodge, when he has living individuals to whom it might be properly payable.

The head of the parade will start from Fourth and Yamhill streets, march down Fourth to Morrison, east on Morrison to Third, north on Third to Oak, west on Oak to Sixth, south on Sixth to Morrison, west on Morrison to Exposition building.

UNITY=STRENGTH

King Edward Says Empire Has Had This From War.

LONDON, June 13.—The Lord Mayor and City Corporation proceeded in state to Buckingham Palace this morning and presented to the King an address of congratulation because of the peace obtained in South Africa. During the presentation all the church bells throughout the city tolled. Replying to the address, the King said he heartily joined in the expression of thankfulness for the termination of the struggle, which had been entailed on the people at home and across the seas. The many sacrifices, he thought, had resulted in increased unity and strength for the empire.

DIVORCES GRANTED

Judge M. C. George this morning granted divorces in the following cases:
Mrs. C. C. Doty from Henry Doty, cause habitual drunkenness. They were married at Ottawa, Canada, in 1897. Mrs. Mackintosh testified that her husband started to drink about two years after marriage, and has continued a life of dissipation since, contributing nothing to the support of herself and two children. In a fit of delirium tremens he threatened to kill her.
Winnie Doty was divorced from Charles Doty on the ground of desertion, and given the custody of their two children.

FOR REMOVAL OF GUARDIAN

The petition of Mary Kramer, mother of Frank Philipp, for the removal of W. H. Warrens, as guardian of the person and estate of his ward, and the appointment of herself instead, was heard before County Judge W. M. Calk in the Probate Court this morning.
A. Philipp died in 1892, leaving his property, consisting of lots 6 and 7, block 37, lot 8 and the north half of lot 5, block 4, Columbia Addition, to Frederick Philipp, in trust for the grandson Frank. Providing Frederick should die, then one-half of the estate would go to the grandson.
Frederick died and W. H. Warrens was appointed the legal guardian. Now Mrs. Kramer claims that the rents of the property have not been paid over for the benefit of the boy, that he has not been properly treated, and asks that Warrens be removed. Frank stated on the stand that he preferred to live with his mother.
He admitted that he had been given everything that he wanted, but said that his mother was better able to take care of him. He said that he would run away and go to his mother if he was given over to the care of Warrens.

VILE LETTERS TO A GIRL

Edward French Found Guilty by U. S. Jury.

Assistant United States District Attorney Mays made his closing argument in the United States Court this morning in the case against Edward I. French. The case was briefly referred to by the Journal yesterday. He is charged by the indictment with a grave offense—that of having mailed an obscene letter to J. B. Fitzwater, of Condon, September 30, 1900.

After a careful charge to the jury, Judge Bellinger placed the French case in its hands at 11:30, and two hours later a verdict of guilty was returned.

After being out 30 minutes, the jury came in at noon with a verdict of guilty against French, as charged. At 2 p. m., Waldemar Seton, French's attorney, gave formal notice of filing of motions for new trial within the next ten days French's bonds are continued.

ALL FINISHED BUT THE TOTALS

The official election return canvassers completed their labor this afternoon. Up to noon all but ten of the 70 precincts were tabulated, and those remaining were of the country. No important changes were discovered in the count this morning. Storey, Republican candidate for Sheriff, gained five votes in precinct 23. Otherwise the official sheets tallied with those of the central committee.

The official totals will not be ascertained for several days. From the results of the checking up and tabulating of the votes it becomes evident that the changes made will not materially affect the status of any of the candidates, as already announced.
