

HAVE RIGHT OF WAY

Oregon Veterans and Sons and Daughters Will Hold Three Gatherings.

The Oregon Pioneers will have Portland to themselves on Wednesday, as the 25th annual reunion of the Oregon Pioneer Association will be held in the Exposition building on that date. Pioneer headquarters have been opened at 246 Washington street, where badges can be procured from George H. Himes. On July 13 at 2 o'clock the procession will be formed at the Portland Hotel by C. T. Beicher, Grand Marshal, and assisted by John W. Minto, N. H. Bird, F. H. Saylor and W. H. Warren. The parade will consist of a squad of police followed by De Caprio's band; Native Sons Guard of Honor and the Pioneers in the order of the years of their arrival. The route of the parade will be on Morrison street to the Exposition building, where the guard of honor will escort the pioneers to the music hall where the following program will be rendered. Music—De Caprio's Band. Calling to order by president, Judge J. H. D. Gray, Astoria, 1835. Prayer by the chaplain, Rev. J. W. Miller, Portland, 1850. Address of welcome—Hon. George H. Williams, 1853, Mayor-elect of Portland. Response by the president. Appointment of committees on resolutions by the president. Music by the band. Annual address—Hon. T. A. McBride, Oregon City, 1845. Poem, by Mrs. Jane McMillen Ordway, to be read by J. C. Moreland, 1852, Portland, vice-president. Occasional address—W. T. Wright, Union, 1851. Music by the band.

WOMEN'S AUXILIARY.

At the close of the program the Pioneer Women's Auxiliary will give a banquet to all the members of the association in good standing who have the proper badge for 1902. Special invitations will be issued to the husbands or wives of Pioneers who may not be Pioneers themselves, upon application to Mr. Himes. No children will be admitted to the banquet.

In the evening at 7:30 there will be a short business meeting included in which will be the election of officers for the coming year, after which there will be a short program including old-time songs by the veteran male double quartet, music by De Caprio's Band and a recitation by Miss Hazel Hoopengardner, a granddaughter of Isaac Butler, a pioneer of 1845.

Memberships are coming in right along to this association—83 having been received in the last two days, as all persons coming to, or born in, the original Territory of Oregon prior to February 11, 1852, without regard to where they now live, are eligible to membership.

CHEAP FARES.

All Pioneers, Indian War Veterans and Native Sons and Native Daughters paying full fare to Portland over any of the Southern Pacific lines who take a certificate showing that fact will be returned at one-third regular fare to starting point on or before June 20, when that certificate is properly countersigned, and this must be done by the secretary of each organization. The O. R. & N. Co. will grant the same rate on all its railroad lines providing there is a total attendance of 50 tickets to be purchased at starting point not more than three days before June 15.

The Regulator and White Collar lines will give round trip for one fare from

all points up the Columbia river, the tickets to be endorsed by the secretary of each society showing that the holders attended the meetings. The fare between Portland and Astoria, either by rail or boat, will not be reduced below the rate now in operation.

INDIAN WAR VETERANS.

The largest reunion of Indian War Veterans in proportion to their numbers that has been held any year yet, will be that which convenes at the G. A. R. hall, First and Taylor streets, tomorrow at 9:30 a. m. This will be their grand encampment, and will be attended by veterans and their friends from all parts of the state.

The morning and afternoon sessions will be devoted to business matters, the afternoon to be concluded with memorial exercises. During the last year 80 veterans have died and their memory will be perpetuated by the placing of their names on the roll of deceased members. Music and literary numbers will intersperse the other proceedings, among other numbers to be several songs by the veteran male double quartet. Miss Evelyn Hurley will sing "Star Spangled Banner," "Swanee River" and "Annie Laurie." Dramatic readings will be given by Miss Alice Luce and Miss Annie Ditchburn.

On the Astorian he filled the position as editorial writer, gathered all the local news, edited the telegraph, wrote flash headlines and entertained all visitors coming into the sanctum sanctorum. The management is now in search of another force in the shape of a good, all-around man, who never sleeps nor takes time to eat, only on Sundays.

BICYCLES SIEZED

Sheriff Takes Up Seven Untagged Wheels.

There were things doing on the Portland-Oregon City bicycle path this morning, when Deputies Jackson and Veir, under orders from Sheriff Frazier, seized seven unlicensed wheels. The bicycles were seized early this morning from their owners, who were on their way to work. The booty was hauled to the County Courthouse in a wagon and stored away for safekeeping until they were reclaimed by the owners, who gave their names as follows:

- S. L. Mulha, 25 Dhalgore, Miss
- Brost, E. S. Lamb, J. W. Hunt,
- Miss Verrill, H. H. Wright.

The announcement that the Sheriff had depized seven men to seize all unlicensed wheels commencing today has had a noticeable effect upon many of those who have been hanging back waiting for something of this kind to move them, as was evidenced by the number of tags that were sold out of the Sheriff's office today.

No one will be allowed to escape paying the tag this year, notwithstanding that certain wheelmen are repeating the usual defiance against the authorities.

Children Set Fire.

The East Side fire department was called out Saturday evening at 5:40 o'clock in answer to an alarm from box 282. The fire was located in a cottage, corner East Seventh and East Ankeny streets, occupied by B. L. Byers. Mr. Byers says that he did not know that the house was on fire until the rooms were full of smoke. A number of children had been playing in front of the cottage, and had built a number of small fires. It is thought that the fire in the house was blown from one of these. The damage to the house amounted to about \$400, the loss being covered by insurance. The loss on the furniture was nominal. No insurance.

OREGON PROSPEROUS

TRADE CONDITIONS PROVE IT CONCLUSIVELY.

A Criterion Found in the Sales of the Eilers Piano House—Rare Opportunities for Purchasers of Organs—A New and Remarkable Proposition.

One of the strongest indications of the prosperous conditions of Oregon is found in the fact that more fine pianos and organs are now being sold in the state than ever before in its history. Eilers Piano House, the leading dealers in pianos and organs on the Coast, report that during April and May they made phenomenal sales. Indeed, investigation proves that their record for the two months mentioned is higher than that of any other music house in the entire country for the same time. This is something of which Portland and Oregon should be proud.

It is not difficult, however, to account for this enviable record. The policy of the company has always been to give the very greatest possible value, and sales are made on such exceedingly easy terms that thousands of people who have heretofore denied themselves the pleasure of a piano or an organ in the home have been able to secure one through the low prices, liberal terms and advanced business methods of Eilers Piano House.

An instance of the up-to-date methods mentioned is found in the very remarkable organ proposition that Eilers Piano House is now making. During the record-breaking sales of April and May the company received a large number of organ proposals and there put in the pink of condition, being so thoroughly overhauled that they are now practically new instruments. They are now guaranteed in every respect. The company was then confronted with a peculiar state of affairs. Carloads of fine new pianos were arriving daily, and the space at the commodious store at 551 Washington street was all filled. There was nothing to do but to make these slightly used organs move, and this is the way it is being done.

Eilers Piano House says: "Take your choice of some 50 splendid, slightly used organs, which we guarantee. Pay \$5 or \$10 down and \$2 to \$5 a month. At any time within one year from date of purchase we will accept your organ in exchange for a new one at the price you have paid us for the organ." Probably this is the most novel and liberal proposition that a music house has ever made. It allows the purchaser the use of a first-class organ for two years absolutely free. In this time a person can learn the instrument well. Then he can go to Eilers Piano House and have his pick of the finest pianos manufactured in the world. It is a proposition that the proposition has met with the most unqualified success. Many homes and churches have been benefited by it. Here is a list of organs which will show the exceedingly low prices:

- Mason & Hamlin, a good instrument, \$10
- Western Cottage, chapel, 22
- Smith American, 18
- Starr, salina, 18
- Earhart, 22
- Peloubet, a bargain for, 28
- Storey & Clark, beautiful case, 45
- Betsy, nearly new, 30

These are all great values. There are many others at various prices. Whatever you may desire in the organ line, Eilers Piano House has it.

Officer Assaulted.

Fred McCloskey, backman and all-round rough, has created more trouble around the Union depot than all the other drivers combined. He has been arrested time and again but seems to have a more potent pull in the courts than the police themselves, and always escapes deserved punishment.

Last night Officer Mallet attempted to discipline McCloskey at the depot, when the latter set upon him and gave him a terrible beating. Mr. Mallet is confined in his residence, suffering from intense internal pains. McCloskey is under arrest on a charge of assault and battery and resisting an officer. If the prisoner escapes this time the police might just as well quit making arrests.

OPPOSE THE CLAIM

Taxpayers' League Exploded a Bomb Today.

The Taxpayers' League of Portland, today exploded another bomb in the cap of the powers that be.

A suit has been filed in the State Circuit Court by J. Thorburn Ross, A. L. Mills, W. M. Ladd, J. N. Teal and J. W. Cook, directors of the Taxpayers' League, against Edgar M. Lazarus, Lot C. Sweetland, County Clerk; T. Scott Brooks, County Treasurer, praying for an order temporarily restraining the issuance and payment of a claim of \$300 put in by Architect Lazarus for services alleged to have been performed some time ago when the county was figuring on having an addition built to the county court house. The original bill was for \$700. It was dated May 15, 1901, and read as follows:

"For professional services in preparing preliminary studies and working drawings, and for taking the necessary measurements for alterations and additions."

It is claimed that the bill has never been audited and is therefore void.

The complaint states that the payment of the claim will add a fraudulent burden to the taxpayers, wherefore the court is asked to grant an order restraining the clerk from issuing the warrant, and the Treasurer from paying the same.

Attorneys Bauer & Greene prepared the complaint.

EDWARD'S ILLNESS SERIOUS

But Grave Reports Are Relieved by Later News.

(Scripps-McRae News Association.) LONDON, June 15.—While no information has yet been vouchsafed, the belief is gaining ground that the illness of King Edward is of a serious nature. There were several incidents which tend to strengthen this belief. In the first place, the King did not attend the review of the troops at Alderhot. Queen Alexandra, the Princess of Wales and the Princess Victoria went instead.

an air of depression is noticeable about the royal pavilion at Alderhot, where the King is housed, and there were disquieting rumors about the place. There were also other signs that the King's illness is apparently more than a mere temporary indisposition. It is stated that King Edward suffered great pain yesterday and laudanum was administered to relieve it.

The doctors are watching Edward closely with the purpose of trying to diagnose his disorder. When the doctors are satisfied on this point an official announcement may be expected.
