A CADETS' HOP

The commencement hop given at Hill Military Academy last night was the most pretentious affair of its kind that has occurred here for some time. The guests numbered almost 600, and almost everyone of social prominence was there. The smart costumes of the ladies, dress suits of the gentlemen and full-dress uniform of the cadets made the continually moving scene a brilliant one. The armory was used for dancing, being decorated with a profuse arrangement of the academy colors, blue and white. The festoons over the walls and ceiling gave the hall a beautiful finish. The wide piazzas were used all evening for promenade, being lighted in soft colors. The greater number of guests remained until the last dance at a late hour this morning, and the success of the party was voted by all.

KING BETTER, WILL RECOVER

And Be Ready for the Coronation Next Week.

(Scripps-McRae News Association.) LONDON, June 12.—The King's condition is improving satisfactorily. There is reason for the belief that he will be entirely himself by the coronation. Neither he nor the Queen, however, attended the Ascot races today.

WILLIAM ZIEGLER, FINANCIER-EXPLORER.

TROMSOE, Norway, June 18.—William Ziegler's relief expedition starts from Tromsøe, Norway, this month to carry more supplies to his colleague, Baldwin. Mr. Ziegler is perhaps the most ardent of all the enthusiasts who have become addicted to polar exploration.

THE FIELD OF SPORT

HOW THE CLUBS STAND.

Table showing baseball club standings: Seattle 22, 14, 611; Butte 21, 15, 583; Portland 19, 14, 576; Tacoma 15, 20, 423; Spokane 15, 21, 417; Helena 13, 21, 382.

Portland continues to slide down the greased skids. It only took Helena an hour and a half to put the champions in the third place and advance Butte a notch. The game was a good fast one and was in some respects a pitchers' battle, but by bunching their hits Helena won out. In the box Witbeck did better work than Slagle, but luck was against the Champions and they went down to defeat by a score of 9 to 1.

Helena played very ragged ball while visiting Portland; but since then the team has been greatly strengthened and put up the real article yesterday.

Every club in the lead has been making many changes, but the champions have been content to grind along with its original complement of men. Some advantageous changes could be made at this time. Yesterday's score:

HEGARTY AND DE COURSEY.

Tim Hegarty, featherweight champion of Australia, and Billy De Coursey of California, who are to box 30 rounds before the Pastime Club at the Exposition building on Thursday, June 26th, are both training hard for the event and are fast heading into perfect condition.

Hegarty makes things lively for his retinue of trainers at the Mikado hotel training quarters every afternoon, his bouts with them being the most spirited ever put up by a pugilist while training in Portland.

De Coursey's quarters at Second and Gilman streets are visited by a large number of sports every afternoon.

Manager Vigneux has protested yesterday's game on the ground that R. L. Fisk, substituted umpire, who officiated vice Mullane, in permitting McGilgan, who was on first, to take second after being hit by Slagle's bunted ball, committed gross misconduct of the rules.

Vigneux says that if Lucas sustains the protest the game will be played off Friday.

FOURTH OF JULY TONIGHT.

At tonight's meeting of the Fourth of July committee, to be held at 308 Chamber of Commerce building reports will be handed in by the various sub-committees and appropriations will be made for them.

Tomorrow evening and for the balance of the week and Saturday matinee the musical mixture "A Gaiety Girl," Fred, Jack, Willie, Alice Ivy, Connie and Daphne Pollard, all are at their best in this comedy and the Plevat Ballet by the entire company is still one of the features.

Next week La Mascotte, the Gaiety and in Town will be given.

Young Hoodlums.

Ed and Willie Weiser, Fred and George Hastings and Harley Bonga, East Side youths, are in jail charged with being out after hours, using obscenities and abusive language and making themselves generally obnoxious to the neighborhood in which they live.
