## The FIELD OF SPORT

### HOW THE CLUBS STAND.

Club	Won.	Lost.	P. C.
Seattle	23	16	.605
Butte	22	16	.579
Portland	19	16	.542
Tacoma	16	21	.432
Spokane	16	22	.421
Helena	15	21	.417

Portland seems to have lost its grip. The team is playing good ball all right, but the boys do not win. They lost to Helena again yesterday, which makes eight straight games the champions have dropped. Engle was in the box, and only allowed five hits, while Thompson gave up 11; but the former's were all productive of runs. The score: R H E  
Portland.....3 9 5  
Helena.....5 5 1  
Batteries—Engle and Vigneux; Thompson and Sullivan.  
Umpire—Fisk.

**TACOMA DOWNS SPOKANE.**  
Spokane had a lead over Tacoma in the eighth yesterday, but Gatsch, the new pitcher, weakened in the ninth and gave away the game. Score: R H E  
Spokane.....5 5 1  
Tacoma.....7 11 1  
Batteries—Gatsch and Frary, D. McCarthy and Swindells.  
Umpire—Cunningham.

**HARD HITTING WINS.**  
Hard hitting by Seattle yesterday took the game from Butte. Score: R H E  
Seattle.....12 16 3  
Butte.....3 12 9  
Batteries—Burns, Gay and Zearfoss; Hickey and Stanley.  
Umpire—Colgan.

**MISCELLANEOUS SPORTS.**  
Sammy Vigneux, Portland's manager, is sulking at Helena. He can give no excuse for losing eight straight games, and expresses himself as being disgusted with things in general. He blames President Lucas for much of his trouble, and says the latter has it in for the Portland team. Vigneux says he is on the point of throwing his mop up in the air and quitting the league.

Tim Hegarty, the Australian champion, and Billy de Coursey, the Californian, are both hard at work for their next Thursday night before the Pastime Club, and are about at weight. No one expects the fight to go over 15 rounds, as both are willing and fast. It is expected that they will go right after each other, at the tap of the gong.

The Multnomah baseball nine are practicing hard for their trip North in the near future. On their return from the Sound they will probably enter the Chautauque League at Gladstone Park. Then there will be a return game with the Berkeley team here.

The fidelity team of this city and the Cornell nine will play at Forest Grove Sunday.

### JEFFRIES-FITZSIMMONS.

Speaking of the "big fellows" in their training, a writer of the San Francisco Examiner says:  
"Robert Fitzsimmons is a bit browner for his experiences yesterday. Of fifteen hours of daylight he spent only one hour indoors, and that was when he put on

the mitts to make matters entertaining for Tom Wilson, his soldier sparring mate. Shaggs Springs has hardly a rock "Pitz" has not walked over. The harder he works the better becomes his spirits. The ladies he meets say the big Cornishman is altogether too gentle and good-natured to hit the other fellow hard enough to hurt him.  
"At Harbin Springs Jeffries continues to take daily 'solidifying,' as he now terms his exercising. He keeps up his routine of walking, running, gymnastic exercises and boxing. Between courses he finds time for relaxing amusement. As he stood yesterday it would be hard to find a stronger and healthier man than the big, bronzed boiler-maker."

Dick Lewis, colored, was awarded the fight on a foul from Billy Armstrong, in the sixth round of what was to have been a 10-round go at the Spokane Athletic Club last night. Armstrong tried to hit Lewis in breaking away from a clinch. Both men had been repeatedly warned by Referee Quinn. They fought at 135 pounds.

**BRITT-QUEENAN.**  
William Britt, manager for his brother, has received a telegram from Perry Queenan's representative, who is in Seattle, stating that an agreement for a fight between his principal and "Jimale" Britt had been made. Queenan is an Eastern boxer who has made good on this slope by defeating Dai Hawkins. The meeting will take place early in July in the gymnasium of a Seattle athletic club.

**READY FOR AMERICAN DERBY.**  
CHICAGO, June 20.—The American Derby, the classic event of the Washington Park Jockey Club's summer meeting, will be run off tomorrow and horsemen throughout the country are intensely interested in the outcome.

The field which will go to the post is not only larger than the ordinary Derby fields, but it is made up of a class that cannot be beaten anywhere.  
All of the candidates were on the track for practice today and were watched by throngs of rail-birds anxious to get a line on the probable winner of the \$20,000 purse.

From present indications Heno will go to the post a favorite at about 5 to 1, with Cruzados as second choice.

**TO BREAK JUMP RECORD.**  
NEW YORK, June 20.—A feature of the games to be held at Celtic Park tomorrow by the Knights of Columbus will be the 10 standing jumps, scratch.

The best man entered and the one looked on by students of farm to win this event is Ray C. Ewry, of the New York Athletic Club, the greatest standing jumper the world has ever seen.  
The event was put on the program practically to give Ewry a chance to beat the present world's record of 11 feet, 5 1/2 inches.

### TO MEET ON THE MAT.

NEW YORK, June 20.—In sporting circles considerable interest is manifested in the wrestling match before a local club tonight between Max Lutberg, of St. Louis, and Harvey Parker, who claims the world's championship.  
The articles of agreement provide for a catch-as-catch-can bout, best two out of three falls, at 140 pounds. Both men have been training hard since the match was made and an interesting contest is expected to be the outcome.

### BIG WOOL CLIP.

President Lytle, of the Columbia Southern, says that there will be a wool clip of 7,500,000 pounds of wool brought into the market at Shaniko this season. The sales thus far have been very successful, and have reached 15 1/8 cents, which is probably as high a price as has yet been offered in Oregon for this product. About 12 1/4 is the highest yet reported. Another sale will be held tomorrow at Shaniko.

"Sherman County will have the largest crop it has ever had this year," said President Lytle. The country south of Shaniko is developing to an encouraging degree. "There are many settlers founding homes there."  
President Lytle said that on the company's projected extension, from Shaniko to Bend, 20 miles have already been permanently located by the surveyors, leaving 75 to be completed. "When one-half the distance has been permanently located," said he, "we will begin to advertise for bids for grading, etc."

Bingo—I'm going to bring my wife round to call on you tonight.  
Wintery—That's right, but do me a favor, old man. Don't let her wear her new seal skin cloak. I don't want my wife to see it just now.

Bingo (grimly)—Why, that's what we are coming for.—The Bits.  
About 4,475,000 persons are employed in the world's mines.
