'SCHOOL DAY' SET FOR APRIL 20 WILL HAVE BALL GAMES, SENIOR CLASS PLAY ON SKED

High school students are looking forward eagerly to school day, the date for which has been set as April 20. Both boys and girls baseball teams will play the Sams valley high teams in the afternoon, and the senior class play, "Molly's Aunt," will be presented in the evening in the gymnasium.

The comedy, a full evening's entertainment, has to do with Spinster Aunt Jane and her visit to the Griggs family, who are very modern. These latter try to give the impression, to their dear Auntie, that they are very sedate and—but come and see the play for yourselves.

The popular ticket prices which made it possible for everyone in the community to enjoy "The Magic Beanstalk" last week will again prevail for the senior play.

GRADERS SUFFER 8-6 LOSS

Welcoming an excuse to miss school Paul Hess took Coach Ray Hunsaker's second string baseball team to play the Griffin Creek school players Monday.

The Jacksonville boys went down to the tune of 8-6 in a five-inning game, but not until the local boys had rallied in the fifth inning to raise the score of 8-2 to 8-6.

VINING TO DELIVER YEAR'S COMMENCEMENT ADDRESS

In a recent letter to Principal M. E. Coe, Mr. Irving E. Vining of Ashland expressed pleasure at being asked to deliver the commencement address for Jacksonville high school this year. He has chosen as his subject, "The New Tomorrow."

Mr. Vining is one of southern Oregon's best known and most popular speakers. Formerly connected with the department of psychology of Columbia university, Mr. Vining now resides in Ashland. He has recently made a trip to Washington in the interest of the Oregon game commission, of which he is a member.

HIGH HAS 5 GAMES TO PLAY

The local high school's baseball schedule is due for completion with the playing of five more games. Of the three games already played, one a practice game, Jacksonville's pill-passers have won all. We hope this standard will be kept up throughout each and every game. The schedule appearing below may, perhaps, enlighten you as to future plans.

April 13 Eagle Point there.
April 20, Sams Valley here.
April 27, Talent there.
May 4, Phoenix here.
May, Gold Hill, there.

WAR AND DEMOCRACY

(An Editorial)
Just 17 years ago last Friday, April 6, the United States entered the World War. The reason was "to make the world safe for democracy."

To judge from present day conditions, the World War did not fulfill its purpose. Only Great Britain and the United States are real democracies. The nations in Europe are under worse tyranny than they were before the war.

What will happen if there is another war? Will the world then be made safe for democracy? Some say that there will be no people left on this earth after the next war, but who can tell?

FIVE SPEED EXPONENTS TO REPRESENT JHS IN CONTEST

The question of who is to represent Jacksonville high school in the county typing contest at Ashland high school, April 14, was settled last Thursday and Friday after three 15-minute speed tests.

Dixie Churchill and George Van Galder emerged victorious with averages of 43 and 37 words per minute, respectively, while Marion Wiltse and Norman Carothers tied for runner-up with an average of 33.5 per minute.

After repeated tests in class, Marion Vogel, Alberta Hart and Marion Wiltse were selected to represent the high school in the

shorthand division of the contest. Marion Wiltse was chosen as alternate for both typing and shorthand.

These five students, accompanied by Miss Currin, teacher of commercial subjects, will drive to Ashland next Saturday morning to uphold the honor of Jacksonville high school in the county contest.

FRESHMAN REVIEW OF SCHOLASTIC EDITORIAL DRAWS JUNIOR PRAISE

Are the juniors squelched? They are, and thoroughly. Even freshmen are better speakers than the members of the English III class

as one eloquent frosh ably demonstrated Monday afternoon.

Joyce Durham, freshman, gave an excellent review of an editorial, "The Wealth of the Indies," which appeared in the latest issue of Scholastic magazine. As she finished speaking, the class showed that they recognized good speaking when they heard it by applauding enthusiastically.

And though they chuckled at the remark, the juniors agreed with Wayne Combust when he marveled: "How did she ever remember it all?"

An optimist is a chap who would buy now if he could borrow from a pessimist.—Weston Leader.

"Every time I pick up this heater I know I'm saving money"

With clean-burning Pearl Oil, you can heat the room you are using—to just the temperature you want.
Then—move the heater to another room, and in a jiffy it's warm, too.
And it's clean heat, always—absolutely no odor. That's because PEARL OIL is entirely consumed by flame.
But be sure you get PEARL OIL! "Coal oil" or "kerosene" may mean any kind of kerosene. PEARL OIL (the registered name) always means clean heat, steady heat, and reliable quality to the last drop.
