While Fighting Elliott Creek Fire, Recovers

Having sustained injuries Saturday while fighting fire on Elliott creek, Ervin Lewis, on guard duty at Perk's pasture, was obliged to remain at his home this week, although he will return to his post in a few days. Alone at the time of the accident, Mr. Lewis is unable to tell what happened, although it is believed that a gash on his forehead resulted either from falling and striking his head on a rock, or stepping over a short precipice. Following several hours of unconsciousness, Mr. Lewis walked to the Pennsylvania mine and the next day was taken to Camp Applegate, where Dr. J. B. Gillis took several stitches in the wound.

A crew of over 200 fire fighters has been reduced to 50 or 60 work ers who are remaining on the Elliott creek burn, which started Saturday afternoon from burning grass, and covered over 400 acres. Some timber was damaged, although only a small amount was killed by the fire, which was lo-cated about seven miles from the mouth of Elliott creek. A horse belonging to a resident there burned.

Hectic Days Sleepless Nights F YOU are nervous today, you probably will not sleep well tonight. If you don't sleep well tonight, you will probably be nervous tomorrow. Don't allow yourself to become nervous.

Take Dr. Miles Nervine. It will relax your tense nerves and let you get a good night's Irritability, Restlessness, Sleeplessness, often lead to Nervous Headache, Nervous Indi-gestion, Hysteria—sometimes to a nervous

breakdown and organic trouble. Some of the people, whose letters are printed below, were as nervous as you are—possibly more so—yet they have found relief.

Three years ago I was so nervous I could not bear to go out in company and could not sleep nights. A friend recommended Dr. Miles Nervine, I now enjoy myself thoroughly and sleep every night.

Miss Juliette Currier,
New Market, N. H.

I have used Dr. Miles Nervine in liquid form and find it the best medicine for the nerves I have ever used. Christene Lanier, Middleton, Tennessee

Whenever I have over-indulged and feel restless I take one or two Nervine Tablets just before I retire. In the morning when I awake I feel like a new person and can go about my work as usual. Dr. Miles Nervine Tablets quiet your nerves, brace you up and are the simplest, most convenient tablets to take I have ever found. Miss Grace Redmann, St. James, Minn.

Before using your Nervine I was very nervous and irritable. Since I have started to take it I feel so much better that my family notice the difference. I still take it from time to time and the good result is wonderful.
