INSIGNIAS AND LOYALTY
Red and white! From all over school flash these inspiring colors. Zealous high school students have at last received the new insignias that they have awaited on tip-toe. On arms, hips and backs the snowy letters on a scarlet background are displayed, as students try to outdo each other in setting styles for wearing them. Another and different style might be set as each student pins on his "JHS." This might be loyalty. Loyalty to the school and all it stands for.
