The latest thing is iridescent eyelashes! First you mascara the lashes and then you brush them with a gold or silver-flecked eye shadow, which, it seems, clings to them and makes them glitter. Quite new and completely devastating.

Big Sleeves Are Featured in Late Summer Offerings

With the very slender waists and more ample skirts go the largest and most noticeable sleeves seen in years.

Big loose peasant sleeves shirred at the wristline appear on some frocks, soft bishop sleeves distinguish others, seven-eighth length flared sleeves are seen on others. One designer finishes his taffeta afternoon frocks with puffed balloon sleeves tightly cupped just above the elbow, while another favors a 1935 adaptation of the old-fashioned muttonleg.

Pimples Completely Gone

After Using Cuticura Soap and Ointment

"My face broke out with pimples that came from surface irritation and were quite large. It itched and burned and at night would itch so badly I would scratch, and the pimples finally turned into eruptions. My face was disfigured for the time being; I looked as if I had the measles.

"Then I read about Cuticura Soap and Ointment and sent for a free sample. I got great results so I bought more, and I used only two cakes of Cuticura Soap and one box of Cuticura Ointment and the pimples were completely gone." (Signed) Miss Mayme Michelsen, Weeping Water, Neb.

Soap 25c. Ointment 25c and 50c. Talcum 25c. Sold everywhere. One sample each free. Address: "Cuticura Laboratories, Dept. R, Malden, Mass."—Adv.

WHIMS OF FASHION

Fish and fowl adorn some new shoes seen.

A white tussah silk shirtwaist frock has navy blue silk frogs from collar to waistline.

A beach costume of navy blue sail-cloth uses scarlet frogs to fasten the military cape.

First fall frocks are out in Paris marked by fur trims, striking belts and fairly high necklines.

Summer hats, with white or pastel trimming, always look fresh if the trimming is fastened with snaps.

Fresh flowers are being used as a definite part of current costume ensembles, used in new and unusual ways.

For evening, gay young things are wearing a spray of small pink orchids across the back of the head, tiara fashion.

No Substitute for Shirtwaist Frock

PATTERN 2222

You can get by this summer without many things—but NOT without that "indispensable"—The Shirtwaist Frock! And indeed, why should you even try, when a very few yards of smart striped cotton shirting and a little effort can produce the pictured result? In town, in the country, on the links, or driving your car you'll find that "action back," the answer to your prayers. The inverted skirt pleat makes for unhampered freedom and the slashed brevity of the sleeves was designed with a "heat wave" in mind. Every woman will have one shirtwaist frock—but the smart woman will make several!

Pattern 2222 is available in sizes 12, 14, 16, 18, 20, 30, 32, 34, 36, 38, 40 and 42. Size 16 takes 3½ yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

SEND FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address, and style number. BE SURE TO STATE SIZE.

Address orders to Sewing Circle Pattern Department, 243 West Seventeenth street, New York city.

To Use Left-Over Fish

If you have fish left over, you need not serve it the next day in the same way. Instead, flake it. Shred cabbage and mix with the fish. Add a little mayonnaise. This makes nice luncheon served with cheese sandwiches and a warm or cool drink and a sweet.

Summer Prints Are Using Flowers as Big as Plates

Prints splashed with the biggest figures Paris has ever used—flowers the size of a large dinner plate—are next on the summer style scene.

Black or white crepes printed with huge plate-sized yellow and green sunflowers fashion slender gowns whose hemlines and trains are encircled by diagonal flounces. Their tops are sometimes without shoulder straps, leaving shoulders and back bare, the décolleté often rimmed by a big ruch of the flowers cut from the material and strung with loops of horsehair ribbon. More prints, this time patterned in saucer-sized tulips, fashion other gowns cut along similar lines.

Gold Threads

Paris has produced a washable gold thread which is going to weave its way into table linen, sheets, handkerchiefs—all launderable linens.

WHIP BECAME BIG TREE

Wagon Charles Coon drove his ox team to Kansas 68 years ago and settled on a farm near Prescott he stuck the willow sprout he used for a whip into the ground and it grew to make a fine tree and shade the house he erected.—Exchange.

Thing That Counts

"Pull" may get a job, but "know how" has to hold it.
