

CHINESE BRIDES MODERN

Chinese brides now have their wedding garments done in the best Paris styles. Time was when a Chinese girl, told by her parents she was to be married, prepared a dress of heavy red satin, a terrific breast-plate of pearls, a red satin veil and a shock-proof headdress. Now she shops on Nanking road and a Russian modiste prepares her gowns. The modistes introduced the Russian wedding headgear, hardly suited to the contour of a Chinese head, and the chic Oriental brides are wearing the wedding veils of the western world. Gone, too, are old wedding forms. Wedding dinners in one of the new hotels, dancing, photographs, honeymoons—all the Occidental paraphernalia is customary.

Woman Leads Navajos

Mrs. Laura McCabe, at the age of forty-three, is the only woman leader among the 45,000 Navajos in northwestern New Mexico. In addition, the squaw has privileges denied white women in some states.

She owns property. Her children belong to her clan and upon her death her daughters inherit her property. She does the work, tends the sheep, shears the wool and weaves it into blankets. She handles nearly all of the barter with Indian traders and controls the family's meager supply of cash.

BIDS DEFIANCE TO HOT WEATHER

PATTERN 2319

The hot weather brings us to the problem every woman of generous proportions must cope with—how to keep cool and fresh looking on those wilting days? Well—Looking Cool goes a long way, and pattern 2319, with its loose, easy cape sleeve, soft treated waistline gives you a mighty cool outlook on life. And very flattering, too, are the graceful folds of the cape that does wonders to equalize proportions. The darts over the bust and at the waistline cleverly contrive to avoid a too-fitted look at the strategical points. Pick a summery printed voile or other sheer.

Pattern 2319 is available in sizes 16, 18, 20, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44 and 46. Size 36 takes 3 3/4 yards 39 inch fabric. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.

Address orders to Sewing Circle Pattern Department, 243 West Seventeenth street, New York.

Flourished 4000 B. C.

The people who lived on the mound Iepe Gawra, 14 miles from the Biblical city of Nineveh—flourished at about 4,000 B. C., in the dim twilight of history, says the Philadelphia Record. At the time they were making their painted pottery and carving obsidian, the ancestors of the Greeks were crouched in caves during their own Stone age and only savages were living in the Americas. It was 800 years before the Egyptians would begin to think of piling stone on stone to form pyramids.

Hint for Silk and Wool

Never allow silk or wool garments to become very much soiled before washing. If you do it necessitates rubbing to remove the dirt, or using water of too high a temperature. Both heat and rubbing are bad for silk or wool. They both require tepid water and just squeezing up and down in the suds.
