RAND—A full metallic (two line) telephone line extending from the Pacific highway to Jump Off Joe creek bridge, on the Merlin road, has been completed to the point where it connects with the single galvanized wire leading to the Rand Ranger Station, all work being done by members of Co. 1650, of Camp Rand, under the leadership of Ed. R. Pollard, L. E. M.

This line has been constructed entirely by the CCC men, who have done everything from digging the pole holes to the final installation of the lightning rods. Poles have been set for over four miles, drawn copper wire strung in the proper manner, and underground conduits installed to prevent interference from power lines.

Interest in the work has been so keen that an evening class in telephone construction was organized, and the men enrolled in it are now engaged in assembling a phantom telephone and studying the cause and effect of trouble on the line.

Hectic Days Sleepless Nights

Miss Currier
relieved of nervous
days and
sleepless nights.

IF YOU are nervous today, you probably will not sleep well tonight. If you don't sleep well tonight, you will probably be nervous tomorrow.

Don't allow yourself to become nervous. Take Dr. Miles Nervine. It will relax your tense nerves and let you get a good night's sleep.

Irritability, Restlessness, Sleeplessness, often lead to Nervous Headache, Nervous Indigestion, Hysteria—sometimes to a nervous breakdown and organic trouble.

Some of the people, whose letters are printed below, were as nervous as you are—possibly more so—yet they have found relief.

Three years ago I was so nervous I could not bear to go out in company and could not sleep nights. A friend recommended Dr. Miles Nervine. I now enjoy myself thoroughly and sleep every night. Miss Juliette Currier, New Market, N. H.

I have used Dr. Miles Nervine in liquid form and find it the best medicine for the nerves I have ever used.

Christene Lanier, Middleton, Tennessee
Whenever I have over-indulged and feel restless I take one or two Nervine Tablets just before I retire. In the morning when I awake I feel like a new person and can go about my work as usual. Dr. Miles Nervine Tablets quiet your nerves, brace you up and are the simplest, most convenient tablets to take I have ever found. Miss Grace Redmann, St. James, Minn.

Before using your Nervine I was very nervous and irritable. Since I have started to take it I feel so much better that my family notice the difference. I still take it from time to time and the good result is wonderful. J. H. Redding, 1027 18th Ave., Rock Island, Ill.
