Traffic Menace Film Comes To Lithia Theater

Sunday, Monday and Tuesday is
an exceptional dual feature pro-
gram with Marlene Dietrich and
Gary Cooper in "Desire" and Ran-
dolph Scott co-starring with Fran-
cis Drake in "And Sudden Death".
Based on a subject that strikes
home to every citizen the thrill-
filled romance "And Sudden Death",
emphasizes the ability of the
auto to wreak havoc in human
lives.

Hollywood seldom brings its
thrills close enough to everyday
reality to make them "come to
life" for the average theatre-goer.
This story, because few citizens'
lives have not been touched by the
auto, is intensely real.

"And Sudden Death" is primari-
ly a romance, despite the dram-
atic force of its auto sequences.
and for the reason that it carries
a timely warning on "Safe Driv-
ing" is endorsed by the Ashland
Police Department. Chief of Po-
lice Charles Talent says "And
Sudden Death", carries a message
of safety to the American public—
and is a timely lesson in "Safe
Driving" told through an excit-
ing romantic story—it's a picture
every citizen of this community
should see".
