RUPTURED?

To insure our customers of truss comfort and security we recommend

**NON-SKID SPOT
PAD TRUSSES**

These light-weight appliances hold your rupture securely, requiring only one-half the pressure of ordinary trusses.

The newly patented raised "center Spot" on Pad backed up by main pad holds just like your fingers.

OUTSIDE of a surgical operation, a good truss, correctly fitted, is the only safe relief for rupture.

Visit our Truss Department and learn more about these wonderful Trusses. Ask for free booklet on Hernia.

Our experienced fitters also serve your needs for Abdominal Supporters, Elastic Hosiery, Shoulder Braces, etc., and our reasonable prices will surely please you.
