

### 'God's Country and Woman' to Lithia

"God's Country and the Woman," Warner Bros.' brilliant picture of the James Oliver Curwood novel of the same name—dealing with a feud between lumber companies in the deep forests of the great northwest—coming to the Lithia theater Sunday, Monday and Tuesday, brings George Brent and Beverly Roberts in the leading roles.

The thrillingly dramatic romance of the story is heightened by the fact that the scenes—almost all of which are in the open—were photographed wholly in natural colors.

Brent and Miss Roberts have an excellent supporting cast including such outstanding favorites as Barton MacLane, Robert Barrat, Allen Hale, El Brendel, Billy Bevan and Joseph King. Hundreds of real lumberjacks appear in the exciting scenes.

Joe Hubka, gentleman mat star of Klamath Falls will tangle with George Lagoski in the middle-main event.

## FLYING KITES

Dear Children:

Now that Spring is here and the ideal weather for flying kites has arrived, I want to give my little friends a few tips about kite flying.

Never fly your kite near electric lines or use wire for kite string as you are liable to be injured from contact with the electric lines. Even a damp cotton string is a conductor of electricity, so be very careful and always fly your kite in an open space where there are no electric lines. I certainly do not want any of my little friends to be injured while playing.
