

AHS GAINS 44-30 SONS REVENGE AS TRIP NEARS

In a game which probably was lots of fun but certainly wasn't good basketball, the AHS Grizzlies got revenge from the SONS Frosh for a pasting handed them in the first tussle of the season. The game was played Saturday afternoon in the new SONS gym during a let-up in the regular Class B tournament schedule.

The Frosh came out at the opening whistle with a bull-like rush and kept it up throughout the match. Fouls aplenty were called on both teams with Patterson, for the Frosh, and Fowler of the Grizzlies leaving the floor in the closing minutes with four apiece chalked up against them.

Schedereiter was up on the ball of his foot during the game and AHS held a 14-13 lead at the quarter. The Sons got hot soon after with the lead swinging their way only to be cancelled at the half by a brisk high school flurry in which Lee got in a grape for an 18-17 high team nod at the half.

Tiny Jones and little Charlie Warren kept their heads and around them as a nucleus, the high school team began once more to function as a team, so despite the sharpshooting tactics of Stan Smith, who plugged the hoop for several Sons baskets in the final canto, the game wound up with the Grizzlies on top 44-30.

O'Connell's boys took the jinx off their new silk uniforms in the fray and there were times when it looked like the suits would go with the jinx due to the football style of play. They certainly won't get any rougher use at the state tournament which faces the high school hoopers, commencing tomorrow at Salem.

O'Connell takes his team north today and they play their first game of the meet tomorrow at 7 p. m. against the Klamath Falls Pelicans.

GRIZZLY CUBS DEFEAT RIVERITES 42-10 FRIDAY

Ashland high's Grizzly Cubs, self-propelling basketball quintet, journeyed to Rogue River Friday evening to defeat the townies of that city 42-10 in a lopsided contest marking their third defeat of that team.

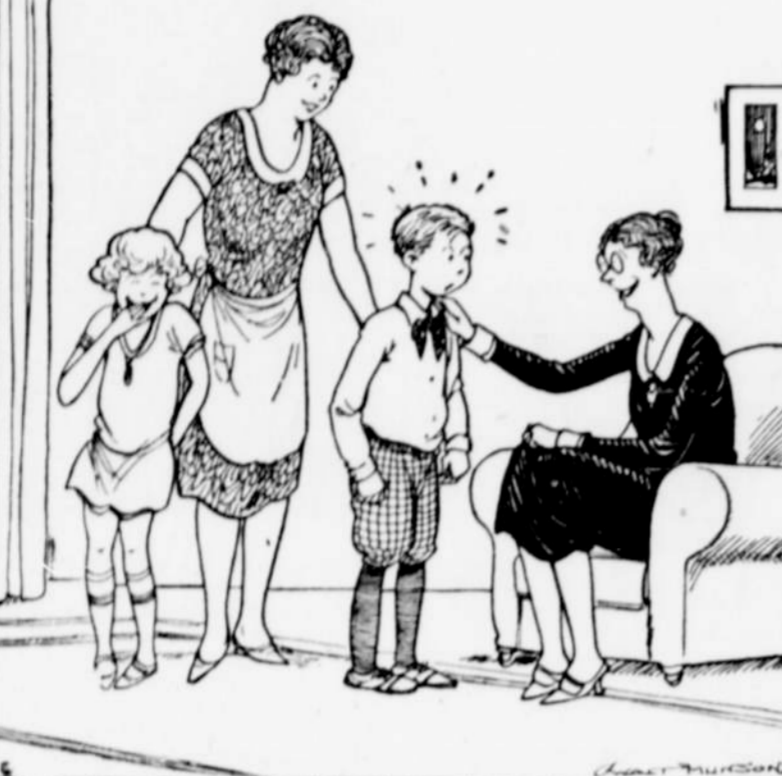

The Cubs, formerly under coaching of Elliott MacCracken, have lost but one game this season, to SONS varsity second string. The outfit includes: Rush and Bell, guards; Jessel, center; and Carter and Talent, forwards. Jessel was high point man in the Rogue River game with 15, Carter and Talent being tied with eight points each.

FORMER TEACHER VISITS WHILE EN ROUTE TO WED

En route to Seattle, where she will wed a San Francisco man March 21, Miss Heien Tjosdale, former typing instructor at Ashland high school, called on friends in Ashland Sunday and Monday. Since leaving Ashland Miss Tjosdale has been employed at Heald's Business college in San Francisco.

GRUNTS AND GRIMACES from the Ringside

By SCOOP

BILL HALL

Southern Oregon mat fans, for the past several months, have done a lot of ranting and raving about this and that meanie, but now the yowls have turned to howls in praise of the introduction of Bill Hall, former light heavy-weight amateur champion of California.

Bill is a firm believer in clean wrestling but can handle himself against any type. Over six feet six in height, awkward appearing and apparently double-jointed, he is considered the toughest man on the coast to put down for a pin fall.

CHRISTY BARRED

Ted Christy, now barred from the Medford ring by the Medford boxing commission, may tame down somewhat if said commission will reconsider their decision, but the "Christy hate" will remain because of his past antics. What's more, I don't see how so much cussedness could stay with one guy for so long.

BLACK DRAGON

Considerably tanned by Hollywood's sunshine, the Black Dragon returned to southern Oregon with more villainy than ever in his bag of tricks.

Neither the Dragon nor his opponent last night, Cowboy Dude Chick, had before lost a match in southern Oregon.
