PALE CHEEKS?

Almost every young girl passes through a difficult period when pale cheeks and dark eye hollows indicate a dire need of more blood-iron (simple or Nutritional Anemia). Other signs of iron-starved blood—headaches, sleeplessness, weakness, lack of energy, poor appetite, underweight.

JAYNE'S TONIC PILLS

Use these little pills as a general tonic in addition to a special iron-rich diet to put new color in the face, new pep and energy in the tired body, weak from a lack of iron. Recommended for young girls, pregnant women, and nursing mothers. Ten-day supply ...
