

### Junior High's 'Point-A-Minute' Hoopsters Down Altamont 38-11

The Ashland Junior high's "point-a-minute" basketball team defeated Altamont Junior high of Klamath Falls here Friday night 38 to 11. This was the first defeat for the Klamath boys this season.

Play was fast and furious the first half with neither team able to hit the basket consistently. Ashland held a slim 10-8 lead. The locals came back strong the third quarter with a 20-point scoring spree to put the game on ice. Klamath used three different teams in an attempt to stop the onslaught.

Young Bob Weaver, Ashland's sensational forward, played a very clever floor game and hit the hoop for 14 points. Weaver is the most outstanding all-around athlete to be developed by the Junior high since the days of Bob Hardy and Wardlow Howell.

James Smith, Ashland's elongated center, scored 10 points besides playing a stellar game under both baskets.

Captain Fortmiller, McNeely and Monroe each hit the basket consistently and aided materially in setting up the plays.

Basketball will temporarily be shelved this week until after semester exams when Albany Junior high and Roseburg Junior high will be met on a northern trip.

### Ashland Drops Loop Opener to Pass 17-14

When the Ashland Grizzlies invaded the Grants Pass basketball court last Friday night intent on biting the first chunk off the 1938 District 9 title they met with rude surprise and a die-hard gang of Cavemen who trailed from the first quarter to closing minutes only to stage a final rally which defeated the locals, 17-14.

The game was a defensive battle from the opening whistle. Grants Pass enjoyed a narrow three-point lead at the first quarter but Everett Nance, Ashland center, ran the Red and White hoopers into the fore with several timely shots early in the second period and they led, 10-8, at the half.

Nance canned three field goals and a foul shot during the evening to lead all scorers with seven points.

The O'Connellmen still held the edge, 14-11, at the start of fourth quarter but George Hibbard's squad tightened up at that point. Bill Farrell, forward, looped in a

### LEGAL NOTICES

In the County Court of the State of Oregon in and for Jackson County

In the Matter of the Estate of ELMER C. THOMPSON, Deceased

### NOTICE OF HEARING ON FINAL ACCOUNT OF ADMINISTRATION

Notice is hereby given that the undersigned, the administrator of the estate of Elmer C. Thompson, deceased, has filed in said court his final account in the matter of said estate, and the Honorable Earl B. Day, county judge, has designated January 31, 1938, at 10:00 o'clock a. m. of said day, at the courthouse in Medford, said county, as the time and place for a hearing thereon.

Anyone having an objection to said account is required to present the same on or before the date of said hearing.

### State To Issue New Grubstakes Late in January Is Report

No grubstakes for 1938 will be issued until late this month, according to word from the state Department of Geology and Mineral Industries in Portland.

An effort is being made to check on all new applicants for grubstakes to assure that the money provided for this purpose will be used to the best advantage. During the last month A. V. Quine, Baker mining geologist, and J. E. Morrison, Grants Pass assayer, have checked up on a

long one, making the count 14-13, and Captain Quentin Burden knotted the score with a free throw gained on a double foul involving him and Charlie Warren, Ashland forward. Warren blew his attempt when he stepped into the keyhole.

Dully, Grants Pass sub, then sank a field goal, putting the Cavemen into a lead which was increased another point in the closing minute by Lanning, guard.

Silver, Warren, Nance, Harris and Weaver started the game for Ashland with Roberson and Schilling being sent in as replacements.

The two teams play here tonight, Jan. 21, and again at Grants Pass tomorrow evening.

large number of recipients of grubstake loans.

During 1937 50 claims were staked by parties receiving loans. It is too early yet, said the mining bulletin, to estimate net benefit of the grubstake provisions of the mining act.

Special notice was given the Ashland mine in the report, which said "the mine has been in continuous operation since 1931 and is listed as one of the leading industrial enterprises of Jackson county by the Ashland Chamber

of Commerce. Eight men are employed one eight-hour shift a day, and a five-stamp mill has run continuously since 1933 according to P. B. Wickham of Ashland."

Mr. and Mrs. Richard Egner and family left Saturday for Portland to make their home. Egner has been employed for several years at the Mars shoe shop here.

A. J. McCallen returned to his position in Portland Sunday after accompanying his wife to their home here.

Mr. and Mrs. A. E. Tonner, Mrs. A. A. Madden, Mr. and Mrs. T. L. O'Harra and Mr. and Mrs. Leo Schoeniger were among Ashlandites present at the IOOF installation in Medford Monday night.

Mrs. Bob Pinson and son Bobbie left Thursday to make their home in Dunsmuir near where Mr. Pinson is employed.

Doris Hunter of Klamath Falls plans to visit this week-end at the home of her parents here.
