HEAT WITH GAS for SPEED, CLEANLINESS CONVENIENCE, ECONOMY

ORDER GAS HEATING NOW

FIRST PAYMENT OCTOBER 1, 1938

Now is the time to install ultra-modern gas heating—at today's low prices—with not a cent to pay until October 1. This exceptional offer, designed to create summer employment assures you of unhurried, convenient installation. Be prepared for autumn's first cold spell, avoid possible delay and disappointment—order today.

Gas heating is modern heating. Quick, quiet, clean, dependable and economical, it safeguards your family's health, lightens housework, provides springtime comfort the year around.

With gas, a flick of your finger brings gentle, even circulation of freshly warmed, healthful air throughout the entire house—under automatic control. No more inconvenience, soot, smoke, noise, ashes, odor or work. Low rates assure economy.

Air Conditioning—Basement, floor or closet gas furnaces provide complete winter air conditioning plus summer ventilation—forced circulation of fresh, pure, filtered air under exact humidity control. Don't endure another winter of makeshift heating. Change now to GAS. There's a gas heating unit for every home and budget. Remember—not even a down payment until October 1! Then—low, budget terms, of course. Information and estimates FREE.
