**STAMP OUT INFANTILE PARALYSIS!**

A GREAT DRIVE to fight infantile paralysis in every county in this nation has started. It will go on until the thirtieth of January, the President's birthday anniversary. Then it will wind up in a series of birthday parties everywhere.

Everyone knows all about the birthday balls which have been held every year to raise money to improve Warm Springs and for other emergency uses. This drive is entirely different. Its purpose is to set up a permanent nationwide network of defense with outposts in every community to fight this terrible curse of childhood. As yet we have no national defense against infantile paralysis. To create one is the purpose of this drive.

It is now the plan to establish a national organization with permanent units in every community. For this purpose FIFTY PER CENT of the contributions from every county will remain in the county to help victims in any way the local organization decides. The other half will go to a national foundation fund for research and emergency.

Culminating the March of Dimes now going on throughout the country will be the annual PRESIDENT'S BALL to be held in the ELKS TEMPLE, ASHLAND, Saturday evening, January 28. Tickets, \$1.00 per couple, may be procured from any drug store in Ashland, the Chamber of Commerce or hotels.

With your support and cooperation we can show that the people of Ashland and Jackson county have joined one hundred per cent in the march against a dreadful enemy within, the killer—infantile paralysis.

Sincerely,

THE COMMITTEE FOR THE CELEBRATION OF THE PRESIDENT'S BIRTHDAY BALL
