SONS Take Pair From Mount Angel
The up-and-coming SONS basketballers of Coach Jean Eberhart pounded their way to a pair of lopsided wins over Mount Angel's Seraphs in the Normal school gym Friday and Saturday nights, winning the first game 29-22 and the second 49-37. The Seraphs had been doped to be unusually tough competition, but witted when the Teachers took up basketball as a serious sport and poured the sphere through the hoop like beads dropped into a manhole.
In preliminary games, Ingle's Drugstore Cowboys walloped the Jacksonville Merchants 49-10 Friday night and took the Medford Copco quint 29-10 Saturday.
The SONS will spend today and Saturday, Jan. 27 and 28, in a return pair of engagements at Mount Angel.

FOGGY WINDSHIELD SENDS DRIVER INTO TRUCK REAR
Because he was driving his car with a foggy windshield and unable to see ahead clearly, A. Chapman, Klamath Junction district rancher early Monday rammed into the rear of a highway truck while the latter was spreading gravel.
Lacerations on his forehead and knee were suffered by Chapman as well as bruises, and his car received considerable damage.

● Mr. and Mrs. Leonard Pull and family spent the week end with relatives at Kerby, Ore.
● Wyland Riegel underwent tonsil operation at the Hill hospital Tuesday.
● Mr. and Mrs. E. Norton visited in Ashland and Medford Thursday.

USED CARS
GAIN A NEW SELF-RESPECT

There's no need for any car of one, two, three or four years vintage to act shy and embarrassed around the new models... not when we can fix fenders, busted bodies and touch up weathered paint at surprisingly small cost. Swing out among 'em with new-car pride minus the new-car payments rolling around every month! We'll be glad to tell all if you'll call.

it's pleasant to read with
Scientific Lighting
You can read as long as you want to, and there's no burning sensation in your eyelids, no feeling of strain, no blurring of print. That's the kind of reading you can do with an I E S Better Sight lamp. I E S lamps are scientifically designed to give the correct amount of light for reading, sewing, and other seeing tasks. They come in floor, bridge and table lamps, with diffusing globes and handsome shades correctly designed to give a maximum of soft, glareless light. There are wall models, too, both bracket and pin-up styles. See these lamps at your dealer's
