OF ALL THINGS!

By MINER STAFF WRITER

Thieves, posing as workmen, have stolen over 100 fireplaces from London houses during the past few years. Working on vacant dwellings or on those under repair, the gang carts the hearths and mantles away and finds markets abroad . . . "It is always later than you think," was inscribed on one sun-dial we saw, while another carried the words, 'I record only the sunny hours." A couple of divergent thoughts . . The San Francisco Fair management expects the turnstiles on Treasure Island to click 350,000 times opening day, Feb. 18, with 20 million total attendance . . . The U. S. Army is experimenting with a new color for uniforms-slate gray.

Pensioners in England fell off in number from 932,250 to 904,700 during 1938, a decline of three per cent with a drop of 2.9 per cent in amounts paid as pensions ... Using ox-carts and hand labor entirely, the Chinese have built a road from Chunkiang on the Yangtze river to the Burmese border in India, a distance of 1400 miles, and completed the job in eight months . "You Can't Take It With You," the play which ran for two years on Broadway and the cinema version of which is said to be one of the best films of the year, flopped miserably on the London stage. . . Receipts of a million dollars were collected by the Sonja Henie ice revue showing 63 performances in 12 cities Caption under a big picture in a

N. Y. tabloid: "Seabread Winning at Santa Anita. Seabread is the property of Charles Howard-Mr. Editor, the famous horse's name is Chile has a population of 4,626,-508, the area of Texas and extends

2650 miles along the Pacific, about the distance from Quebec to Cigarette smokers paid 500 million in federal taxes during 1938, which was enough to support the United States Army and air force. It is six cents on each package of 20 cigarettes. Ninety per cent of the country's foreign commerce was carried by the United States merchant marine during the 10 years from 1820 to 1830. At present 70 per cent of the business goes in foreign bottoms. . . During 1939 Germany contemplates replacing all rubber automobile tires with "buna", a synthetic rubber.

COLLEGE STUFF

· Miss Margaret Peterson, graduate of SONS this past winter quarter, has received a position teaching at Coburg.

On a recent Monday afternoon

the Associated Women students entertained members of the faculty and their wives at tea. Each member of the faculty was accompanied and entertained at the tea by a member of the association.

 Recent initiates into Phi Beta Sigma, the teachers' honorary society, were Hugh Shurtleff, Dick Hannon, Wanda Wyant, Marie Mc-Laren and Dorothy Thomas.

· Initiation of Lambda Chi members will be held tonight, Feb. 3. · The annual smoker will be held next Wednesday night at the physical education building at 7:30 o'clock promptly.

· This quarter there are 11 students practice teaching at the Junior high school.

• The Jackson county club will hold a mixer tonight, Feb. 3, from 9 to 12 p. m. Bill Brahs will be in

Ashland Juniors Best employing a "ring-around-the- W. M. Briggs made a business Klamath High Frosh In 24 to 23 Thriller

The Ashland Junior high basketball team of Coach Earl Rogers turned in their seventh victory of the season with a thrilling 24 to 23 triumph Saturday over the big Klamath Union high freshmen

The huge size and splendor of m. C. N. Gillmore, superintendent. Klamath's new basketball pavilion, Morning worship at 11 o'clock. where the game was played, awed the locals throughout most of the contest. Half-time score favored Klamath Falls 12 to 11. With less than two minutes to

go, Ashland led 22 to 21. Provost was fouled and sunk his basket to increase the Ashland lead to 23 Miss Marjory Bray was a member to 21. In the desperate struggle which followed Miller, Klamath guard, scored a field goal to tie the count at 23-all. Monroe was fouled and awarded a gift shot which he calmly converted to give the final one-point advantage.

Ashland kept possession of the ball for the final 15 seconds by
