Lloyd Selby

"I have the privilege of officially taking over the ownership and management of one of Ashland's landmarks in civic and commercial enterprises—a business operated for many years under the able guidance of the Kay Chevrolet Company. Also, we have taken over the Chevrolet Motor Company franchise for Ashland, and will carry a complete stock of Chevrolet cars and parts, as well as maintaining the high standard of Chevrolet service.

"We happily announce remodeling plans that will include a greatly improved Main Street front—with other plans in the making that will prove generally beneficial to the Ashland area served by our Chevrolet sales and service organization. Thank you—and let's get acquainted."
