

(Continued from page 1) are matters told in strict confidence to members of a congressional committee—but, like most confidential testimony, leaks out. If the suspicions of the officers are verified and the culprits found, sensational chapter will be written.

Secretary of Agriculture Wallace says that sugar beet acreage in Oregon could be increased 14,000 acres and in Washington 10,000 acres. On the Owyhee project (there is a factory at Nyssa) the allotment for 1939 is 16,322 acres. The irrigable area of the project will be 100,000 acres and with the adjoining Vale project, brings the total to 130,000 acres, "which could well support two additional factories with an initial development of 7000 acres each, or 14,000 acres." On Yakima project, there is a factory at Toppenish with an allotment of 14,310 acres for 1939. "Success of the Yakima project," says Wallace, "warrants further expansion of the area which could well support a second factory with an initial allotment of 10,000 acres."

Such a close guard will be placed around the White House when the king and queen visit that even the secretaries of President Roosevelt must display cards of identification. This goes for the cooks. Only ones exempt are members of the Roosevelt family. Survey of 2416 families who received rehabilitation relief in Oregon increased their net worth by the end of the crop year, 1938, an average of \$508.88, compared with a national average of \$265 and average for all western states of \$187.07. Last year alone their average net worth increased \$334.19 per family. Statistics for Washington have not been released.

It's almost incredible the way the NEW Listerine Tooth Paste, containing Luster-Foam detergent, makes teeth glisten and sparkle. The instant brush and saliva touch Luster-Foam detergent, it surges into a foam of tiny, active bubbles, which gets at stain and decay breeding areas that even water may not reach. And as it sweeps over tooth surfaces and into minute crevices, your whole mouth tingles delightfully... your teeth take on new polish and luster. The regular size tube is 25¢.
